Ethics In Action (Workbook With DVD And CourseMate, 1 Term (6 Months) Printed Access Card)

Synopsis

The ETHICS IN ACTION program brings to life the ethical issues and dilemmas counselors often encounter-and provides ample opportunity for discussion, self-exploration, and problem solving of the issues and dilemmas. The 22 video vignettes are based on a workshop for a group of counseling students, which included challenging questions and lively discussion, role-plays, and comments from the students and the group leaders. This educational program is divided into three segments: ethical decision-making, values and the helping relationship, and boundary issues and multiple relationships in counseling. The accompanying workbook (delivered online via CourseMate and in print with the DVD) involves users in interactive learning as they view the video program.

He has co-authored multimedia projects with the Coreys including the EVOLUTION OF A GROUP: STUDENT VIDEO AND WORKBOOK and STUDENT VIDEO AND WORKBOOK FOR THE ART OF INTEGRATIVE COUNSELING, and the ETHICS IN ACTION CD-ROM.

I thought I was buying the actual textbook, but it's not. It just some cheap workbook, with a bunch of bonus activities that go along with the textbook and are completely useless. It says it's the book WITH all that stuff, but that's a lie. By the time I was able to look into returning it, it was too late so

I'm pretty mad about it.

The post is inaccurate. The product does NOT include the DVD or the Access Codes I need for my course. Will be returning and purchasing from the publisher.

I thought this supplement to the book was great. The videos are slightly outdated, however the material was fantastic and seeing the lessons in action really helped to put some things into perspective for me.

Using for my class

DVD doesn't play consistently

perfect thanks
