Walks In Hemingway's Paris: A Guide To Paris For The Literary Traveler

Synopsis

With this guide, the explorer can follow Hemingway's footsteps from his first day in the city in December, 1921, when he settled in the Sixth Arrondissement with his bride, to his last meeting with Gabriel Garcia Marquez in 1957. Combines up-to-date information with literary history and biographical anecdotes. Photographs.

Product Dimensions: 0.8 x 5.8 x 8.5 inches

Shipping Weight: 13.6 ounces

Average Customer Review: 4.5 out of 5 stars 17 customer reviews

Best Sellers Rank: #533,260 in Books (See Top 100 in Books) #167 in Books > Travel > Europe > France > Paris #793 in Books > Travel > Europe > France > General

Customer Reviews

"If you can't stroll the boulevards and by-ways of Paris with Noel himself, the next best thing is this book, which will show you the Paris you need to know,"--Michael Reynolds, author of Hemingway: The Paris Years "Literary travelers headed for Paris will enjoy this book even if they aren't determined to follow in the footsteps of the Master."--Louisville Courier-Journal --This text refers to an out of print or unavailable edition of this title.

Noel Riley Fitch, author of the critically acclaimed Sylvia Beach and the Lost Generation and The Literary Cafes of Paris, is a lecturer at the University of Southern California in Los Angeles and teaches summers at the American University in Paris. --This text refers to an out of print or unavailable edition of this title.

Reading this book is a great way to follow Hemingway around without getting drunk. Fitch knows every inch of both the Left and Right Bank when it comes to Hemingway's hangouts. You can also keep this on your lap and follow Jake Barnes when he's walking around Paris in the first part of "The Sun Also Rises."

I would recommend this to anyone about to (or thinking about!) travelling to Paris! The maps are on target, and the fun facts are so interesting! (I love the story of e.e. Cummings getting arrested for public urination as there are NO public restrooms in Paris.)

impeccable

GOOD LITTLE GUIDE BOOK TO PARIS.

When I traveled in the early 70's I tried to go to the places where famous writers and people in history flourished. This book does an excellent job of summarizing and providing historical tidbits. Hemingway was my favorite so this was a great source. One of my favorites was Shakespeare and Company and the writer gives a nice history of this notable bookstore. I wish I would have written it years ago.

given it away as well....once to a young Frenchman, who was going to Paris from the the south of France. It is a fun way to see Paris, especially the left bank.

If you are going to Paris - take this book with you. It will provide you a step back into history.

Interesting book about Hemingway's haunts in the Paris of the 1920's. Should be a very useful guide to literary walks in the City of Light.
