Planning, Program Development And Evaluation

Synopsis

Planning, program development, and evaluation are emerging as routine functions of health care and social agencies. The concepts and approaches presented in this book provide an efficient approach to planning, program development, and evaluation for all health and human service populations.

Shipping Weight: 11.2 ounces

Average Customer Review: 4.1 out of 5 stars 5 customer reviews

Best Sellers Rank: #173,610 in Books (See Top 100 in Books) #31 in Books > Medical Books > Dentistry > Preventive #150 in Books > Medical Books > Administration & Medicine Economics > Hospital Administration #299 in Books > Textbooks > Medicine & Health Sciences > Administration & Policy > Public Health

Customer Reviews

It was recommended by my mentor and she knows her job! I am getting into reading it now and get my PDE material ready when the times comes.

;)

A difficult read that could benefit from better organization and less redundancy. My preference is to read primers that inspire further study while lowering the barriers to learning. I needed to work a bit harder to understand this author's ideas.

fine. perfect. Awesome product! Works perfectly for leveling and trimming cakes! will purchase again. give my parents ,

excellent condition - very detailed book- caseas are a little more expository than I expected. maybe

because I have don't have any experience with legal/law issues.
