Photoshop CC For Dummies

Synopsis

Stretch your creativity beyond the cloud with this fully-updated Photoshop guide! Photoshop putsÂ amazing design and photo-editing toolsÂ in the hands ofÂ creative professionals and hobbyists everywhere, and the latest version - Photoshop CC - is packed with even more powerful tools to help you manage and enhance your images. This friendly,Â full-colorÂ guide introduces you to the basics of Photoshop CC and provides clear explanations of the menus, panels, tools, options, and shortcuts you'll use the most. Plus, you'll learn valuable tips for fixing common photo flaws, improving color quality, adjusting brightness, removing unwanted background elements, and more. Covers the new Photoshop CC releaseÂ which brings even more features to over four million photographers, graphic designers, web developers, and other Photoshop professionals Teaches the essentials for first-time users before moving on to more advanced techniques like removing blemishes and wrinkles, creating composite images, and working with layers, filters, levels, and curves Walks you through adjusting brightness, enhancing color, adding shadows and highlights, decreasing digital noise, taking advantage of Camera Raw, and optimizing your images for print and the web The sky's the limit for stunning photos and innovative images with Photoshop CC For DummiesÂ in your design toolbox.

Peter Bauer, a member of the Photoshop Hall of Fame, is an award-winning fine-art photographer and the Help Desk director for the National Association of Photoshop Professionals (NAPP). He has authored more than a dozen books on Photoshop, digital photography, and computer graphics, and is a contributing writer for Photoshop User and other magazines.

not as many step by step instructions as I thought there would be

good but still hard to understand

Equivalent to youtube

Very good seller, Good Item description.

I found the instructions confusing

Only good for specific areas of photoshop. Does not talk about all areas.

Easy to use and very helpful for a newcomer

Good step by step process.
