Gr 4-6 "This companion novel to Elijah of Buxton (Scholastic, 2007), set 40 years after its conclusion, is a powerful testimony to the joys of friendship and the cost of unresolved hatred. The lingering effects of prejudice and unbelievable hardship weigh heavily in the lives of Benji, the descendant of American slaves, and Red, the grandson of an Irish immigrant to Canada. A chance meeting at a forensics competition brings these two different boys together; their initial conversation, in which they talk about their physical differences, is awkwardly charming and sincere. Although their communities are different, they have both grown up with the legend of a crazed former slave, a

hermit called "The Madman of Piney Woods." Their friendship is complicated by the fact that Red's grandmother is extremely racist and fearful. The strong father-son relationship between Red and his father is tenderly and honestly created. Relationships between family and friends are realistically complicated, changing, and complex. The horror of Ireland's potato famine, the "coffin ships" that carried Grandmother O'Toole to Canada, and the prejudice faced by Irish-Canadians are brutally brought to life, as is the constant tension felt by the few remaining original settlers of Buxton. Although occasionally somber and heartbreaking, there is great humor, hope, and adventure from Benji and Red. The conclusion may be less powerful if readers are not familiar with Elijah, but it is stunning nonetheless. An author's note on the inspiration and creation of the story is included.â "Jennifer Schultz, Fauquier County Public Library, Warrenton, VA

Praise for ELIJAH OF BUXTON* "Rich, masterful storytelling. . . . This is Curtis's best novel yet, and no doubt many readers, young and old, will finish and say, 'This is one of the best books I have ever read.'" --KIRKUS, starred review* "A fine, original novel from a gifted storyteller. . . . Readers drawn to the book by humor will find themselves, at times, on the edge of their seats in suspense and, at others, moved to tears." --BOOKLIST, starred review* "Curtis's talent for dealing with painful periods of history with grace and sensitivity is as strong as ever." --SCHOOL LIBRARY JOURNAL, starred review* "Elijah . . . is an irresistible character. . . . This arresting, surprising novel of reluctant heroism is about nothing less than nobility." --HORN BOOK, starred review* "It is, in short, quintessential Curtis, sure to please his legions of fans and to cultivate new ones." Booklist, starred review* "Humor and tragedy are often intertwined, and readers will find themselves sobbing and chuckling, sometimes in the same scene. Though this story stands alone, it will be even more satisfying for those who have read Elijah of Buxton."- Kirkus, starred review* "Woven throughout this profoundly moving yet also at times very funny novel are themes of family, friendship, community, compassion, and, fittingly, the power of words"- THE HORN BOOK MAGAZINE, starred review

Mr. Curtis is a magician with words. His books a delicacy - savor slowly- before digesting the wisdom. Although it is not a sequel to Elijah- it should be shared immediately afterward. Warning to grade 4-6 teachers -as with Elijah there are powerfully graphic images so please read the novel before sharing. Elijah of Buxton, forever my favorite, but boys who are mature enough to follow two

story lines will learn deep lessons.

I loved this companion book to *Elijah of Buxton*. A tender telling of a good story, and a well-done take on black-white friendship. And a pretty good plot...so it's enjoyable on several levels. And there's nothing quite like this one.

B liked the stories about the civil war. So much history woven nicely into the main stories. Mom liked how a love of nature, family, learning and humor shined through the narrative from the beginning. Some tough history and family events but everything intertwined nicely with the movement of the story. Beautiful!

This was a gift.

Fantastic! Old school friend and huge fan of Christopher Paul Curtis! This book did not disappoint! It was one of my reads for Black History Month.

I love his books.

Anything by Christopher Paul Curtis is phenomenal!

Excellent and I'm now reading *Bucking the Sarge* by Curtis
