## Customer Reviews

Excerpts from reviews: "This is one of the best acrostic volumes. Interesting subjects and quotations. Hard enough to make me think and play with the words to get the correct ones. I have been doing acrostic for over 30 years. I've bought all her volumes and hope she keeps continuing with more volumes." - Sandra J. Herr "All of Morris's puzzles are intriguing, and so much fun! The clues are clever and insightful, and so rewarding when you figure out the answer that you become completely addicted." - Deborah from Eugene, Oregon "I had six weeks' enjoyment with this book. An extra feature (which made the puzzles easier) was that each puzzle and the clues were themed. Once you became aware of the theme, the puzzle solved itself." - Jerome Stevens

Cynthia Morris's™ collection of acrostics cover U.S. history from many points of view (e.g., American presidents and first ladies, American inventors and inventions, and little known but interesting American historical facts). All of Morris's™ puzzles are intriguing, and so much fun! The clues are clever and insightful, and so rewarding when you figure out the answer that you become completely addicted. There's a nice range of difficulty, from easy to challenging, with most puzzles falling somewhere in between. I have really loved each of Morris's™ puzzle volumes, but I'm especially enjoying American Acrostics Volume 4: The Puzzling States of the Union. There are just so many interesting clues, answers, and quotations about each of the states in it -- especially my state, Oregon.

I love doing acrostic puzzles and these American Acrostics with historical and other themes concerning the United States are fun to work on. They aren't too easy, nor are they too hard. They are challenging, but solvable in the end.

Great fun. Challenging but not too hard.

I particularly like this book of acrostic puzzles. We have visited every state in the USA. This book touches on some good memories. Thank you!
