## Synopsis

Book 1 of the Fitting In series  
Next Book: *Sorting Out*  
Two cops walk into a bar. Mason, the bartender, waits for the punch line, because no way in hell are these ridiculously hot men real cops. They're straight out of a cop-fetish fantasy. But he quickly learns that Jack and Gray are the real deal, and they want him in the worst way. What starts as a night of hot, three-way sex becomes a lot more. The two cops fulfill Mason's submissive fantasies, but they also meet a more basic need, comfort. They want to take care of Mason, to offer him unconditional friendship, but their concern for him unnerves Mason more than even the kinkiest sex. To find happiness with his new partners, Mason must change his belief that love is as much a fantasy as a pair of gorgeous, handcuff-wielding cops landing in his bed.

## Customer Reviews

Cops and manage, it doesn't get much better. This was a sexy hot read with great characters and an exciting story. I can't wait to read *Sorting Out*. I want to know what decisions Gray and Jack

come to and how they and Mason grow in their relationship. And more hot steamy sex please.

It's a wild ride from beginning to the end. Three together seems impossible, but they are willing to work it out. Not easy to trust your heart to others if you've been hurt.

This is the first of this genre for me. The preview made me curious. The characters kept me reading. Fitting In is not a tale for the timid.

I really enjoyed this book. I look forward to reading the next book in this series. I highly recommend this series.

As my title for my review says, I re-read this book before starting to write my review- and I loved every second again. The story of Gray, Jack, and Mason. I so enjoyed hearing the story through Mason's voice- in so much pain from the rejection of his family, so lonely from a self-imposed single state after a few relationship disasters. I was immediately drawn in by his idle pondering about Jack and Gray being fit for "cop porn" scenarios. The emotion was palpable as he wrestled to come to terms with his feelings for the gorgeous couple- his concern for their loving relationship was perfectly written. Along with the wonderfully emotive fiction, Silvia wrote some fantastically erotica, graphic sex scenes between the men. My heart was in my throat during the climax of the story; the ending (including more great sex!) gave me several lovely "awwww" moments. I would love to see a sequel to this book and get to read more of this enjoyable polyamorous triad.

Terrifically hot and super emotions bring this story to life !! I was so riveted, I couldn't put it down. Deep thought filled characters, interesting story, and super hot M/M/M sex scenes are all here to revel in. Wow ! Mason, and his two cops, Jake and Gray are sizzling in their ménage relationship. It is a truly beautiful romance and study of what each one needs to complete their triad. They deal with emotions, family, work, and their new love. This feeling romance and suspenseful tale will definitely hold your attention. Well written, well done in every way. I loved this one !! E N J O Y !!!

Altho' my impressions of Ms. Violet's novel were entirely positive, I decided, upon receiving 's computer generated invitation to write a review, to re-read the book . . . just to refresh my thoughts. I'm glad I did. This novel is so charmingly written, and Mason, the protagonist, so appealing, I had somehow skimmed over some of the author's deeper meanings. While these 3 characters are not

victims of serious abuse, nor traditional brutality, they are, nonetheless, damaged in ways that families and society can do . . . .This is a fine menage story, and has a nice streak of domination, and plenty of sex. But, it is a lot more. It is a warm and compelling story of need, of fear of intimacy, and of developing trust. Trust comes hard. But it comes. Strongly recommended.

This story was absolutely wonderful!! I found it hard to even put it down to get some sleep:-) I was frequently 'excited' and was so happy when the three guys finally got their triad together! I can hardly wait to read her second book 'Sorting Out' that follows the day-to-day lives of the three hot guys.
