The Ultimate Guide To A Weekend In Stockholm: Museums, Attractions & Events

Synopsis

Most people who visit Stockholm only come for a day or two. It can be difficult to get the most out of a short stay, but *The Ultimate Guide to a Weekend in Stockholm* helps you navigate the city. It gives you a quick and comprehensive introduction to Stockholm. It also provides you with invaluable tips about where to go and what to do while visiting the Swedish capital. Stockholm is a fascinating place. Called "Queen of Lake Mälaren," the city is located on fourteen islands where the lake meets the Baltic Sea. At the city's edge, the immense Stockholm archipelago stretches out into the sea with some 30,000 islands and islets. Beyond breathtaking natural beauty, Stockholm can also offer almost eight hundred years of history and culture – invigorated by a contemporary urban pulse. *The Ultimate Guide to a Weekend in Stockholm* guides you through all the highlights of Stockholm, and gives you practical information about transportation, opening hours, and the weather. But it also provides you with in-depth background information about the museums and attractions you visit. It lifts the veil of history and gives you a glimpse of the fascinating events that have shaped Stockholm. Since you may only have a very short time to enjoy the city, *The Ultimate Guide to a Weekend in Stockholm* provides you with convenient suggested itineraries for half a day, 24 hours and a whole weekend. An essential walking tour gives you a detailed and engaging guide to Old Town with the Royal Palace, Storkyrkan Cathedral and the Main Square with the Nobel Museum – as well as many other sights. For those lucky enough to have a little more time, this book also guides you to City Hall and the magical island of Djurgården with unique attractions such as the Vasa Museum, the open-air museum Skansen and the Gröna Lund amusement park. There's even a section with suggested excursions to attractions outside the city such as Gripsholm Castle, Millesgården art museum and Drottningholm Palace – the Versailles of Sweden, where the royal family lives. There's always something going on in Stockholm, and *The Ultimate Guide to a Weekend in Stockholm* also provides you with a guide to special cultural and sporting events throughout the year. If you want to experience a traditional Swedish Midsummer, the Skansen Christmas Market, Stockholm Pride or world-class tennis during Stockholm Open, this guide will tell you when to go and what to expect. *The Ultimate Guide to a Weekend in Stockholm* will accompany you throughout your visit to Stockholm. Use the Kindle application on your tablet or phone, and consult the guide wherever you like. You can highlight and bookmark museums and attractions for instant access when you're on the go. You can even personalize the book by adding your own comments and notes.
