Your Stockholm Travel Guide

Synopsis

"Your Stockholm Travel Guide is a book that leads you directly to the best Stockholm has to offer - it includes great tips for free things to do and free events throughout the year, neither of which is found in other travel books for Stockholm." A travel guide without fuss, this publication takes you to the most popular attractions and provides in-depth attraction profiles with addresses and opening hours. If you are unsure where to sleep and eat, follow the recommendations for hotels and restaurants. Then, there's also practical information on how to get around using public transportation, about the local weather, and how to make your visit to Stockholm cheaper overall. And if you have enough of the city, this travel guide includes a list of ideas for day trips to nearby destinations. This Book Includes: Popular Attractions in Stockholm Free Things to Do in Stockholm Free Events in Stockholm Walking Tour Information Great Day Trips from Stockholm How to Get Around in Stockholm Accommodations in Stockholm Nightlife in Stockholm Shopping in Stockholm How to Make Stockholm Cheap(er) The Weather in Sweden BONUS: The 7 Wonders of Sweden And More...!

Customer Reviews

Truth to tell, most towns have much in common. Masses of houses both big and small, thousands of people moving about, streets with and without shops, restaurants, bars and hotels. When you arrive in a new one, what do you do? Yes, you visit a museum, or visit a well known landmark; and after that? Visiting a new city can be very confusing for nothing is familiar. What you need is a guide. A congenial and knowledgeable person is best, but lacking that, what you need is a guide book with similar qualities. Such books come in a variety of formats. If you want something that is clear, brief, direct, cheerful, practical and easy to read, choose Your Stockholm Travel Guide. It is especially helpful for those who can't spend lavishly, and want to pick up the feel of the place. It's very helpful for doing things like choosing a hotel, eating on the go, and seeing free events and places. Take a look and see for yourself! E.S.

Your Stockholm Travel Guide made my vacation planning go from stressful to exciting. Planning a European vacation is a time consuming and intimidating experience. Author N. T. Gore changed all that for me with this comprehensive guide to Stockholm. While I have been to Europe before this will be my first time to Stockholm. As avid travelers, my husband and I are always on the lookout for our next vacation spot. In this guide I found information on hotels, restaurants, attractions, day trips, nightlife, transit, and so much more. There is also a section on things to do in Stockholm that are free and how to save money while there. I am so happy to have found this book and to get the European vacation of my dreams. I highly recommend it!

I am a fan of NT Gore's travel books and guides so I took this one on a 10 day holiday to Stockholm this summer and it was a perfect fit. The organization of the book and in depth attraction profiles were really good ideas. The next edition could even maybe have restaurants in it as well, that would be even better. But I'm sure they'd end up raising the price to make a thicker book so this one was perfect. The special section of the seven wonders of Sweden was really neat and I got to see two of them.

Everybody wants some guidance before travelling any area and these guidance much more importance and save his/her time and money by turning over an awesome travelling experience. This book is best for Stockholm trip where found everything with clear cut description... right direction that what you have to do to maximize your pleasant of travelling. Well written and rich book for trip lovers.

Everything you need to plan a great getaway to Stockholm! I love the style in which this wonderfully illustrated book is written. Great advice, great information, and so helpful. All together, a very useful investment. Highly recommended!

I used this book before and during my Stockholm trip - felt like I knew the city and what to see there - was very happy I had this guide with me!

This short but complete guide features everything you will need to know when visiting Stockholm. You will find a range of free things to do and see in Stockholm, tips on accommodation, nightlife, restaurants and much more. I will be using this guide as my guide during my upcoming visit to Stockholm soon!

The guide is perfect in case you are already at the city and have not done your homework. It is not extensive, so I would have gone for a longer version if I had had the time.
