## Synopsis

Pet lovers who think they know everything worth knowing about cats will find out otherwise when they open this book and try out its suggestions. Cats are notoriously curious and love to play—and this charmingly illustrated book inspires owners to play creatively with their feline companions. Playing with cats is more than fun. It's intellectually stimulating and reveals many facts about instinctive feline behavior that will surprise even experienced cat owners. The author suggests toys and play rituals, and complements her ideas with a wealth of delightful full-color photos. The book also features attractive line art and informative charts and tables.
