Soup Can Casseroles: Over 150 Main Dish Recipes Using Canned Soups (Southern Cooking Recipes Book 7)

Synopsis

This cookbook includes over 150 casserole recipes for chicken, turkey, tuna, pork, ground beef, steaks, sausage and a few vegetable casseroles. Casseroles are not just for leftovers. Casseroles are an economical and easy way to prepare a quick dinner for the family. When time is short, a quick and easy casserole will hit the spot. Canned soups make the perfect base for casseroles. All the recipes in this cookbook use a canned or dried soup to create a tasty meal. Canned soups are easy to use and flavorful. You have a wide variety to choose from and even a great macaroni and cheese can be made from canned soup. Add a few ingredients and dinner will be on the table in no time. When everyone is on a different schedule, you can make a casserole and everyone can reheat their dinner when ready. Ready to eat rotisserie chickens are a mainstay in most families these days. They are usually cheaper to buy already cooked. Add a few simple ingredients to the chicken and you can make dinner in a flash. With most casseroles, you can get two meals from one rotisserie chicken. Beef prices are skyrocketing and everyone needs to save money. Buying less choice cuts of meat and using them in casseroles will stretch your grocery budget. All my family's favorite recipes are included. Recipes include Crock Pot Chicken & Dressing, Onion Gravy Pork Chops & Rice, Savory Ham Casserole, Dixie Chicken & Biscuits, Potato Soup Chicken Pot Pie, Chicken Enchiladas, Chicken Spaghetti, Southern Chicken Parmesan, Chicken Lasagna Bake, Crushed Potato Chip Crispy Chicken Sandwiches, Chicken Fried Steak, Gumbo Sloppy Joes, Stuffed Bell Pepper Casserole, Salisbury Steak, Squash & Carrot Casserole and Any Meat Breakfast Casserole. Most casseroles can be made ahead and baked when needed. You can always make an extra casserole and keep in the freezer for hectic days.

Customer Reviews

The one thing I loved most of all.. the ingredients in most every recipe are items found in nearly EVERY pantry! I do like to read cookbooks just to get an idea of what others are concocting in their own kitchens. And, then.. playing with the recipes and adding my own ingredients. I can see after reading this cookbook that the author has already done that! Superb recipes. Fantastic index of all of the recipes making them VERY easy to find! One book that will remain on my kindle.. and NOT be archived!

Author S.L. Watson has put her heart in soul in her cookbook Soup Can Casseroles as I counted over 100+ recipes in her cookbook. This means there should be a recipe to make someone happy as the variety is amazing. Her recipes seem to be clearly written and there is an interactive table of contents making navigation easy. I can attest to the fact that some of the recipes are downright tasty as I've made them throughout my years of cooking. Some of the recipes I've tried include: Salisbury Steak, King Ranch Chicken, 7-Layer Casserole. Some of the recipes I look forward to trying include: Crock Pot Chicken and Dressing, Salmon Loaf, Onion Gravy, Pork Chops with Rice. Recommend.

Because it is canned soup I should not love this recipe book, but I do. Guess they are kinda comfort food recipes. Easy to make with ingredients you have on hand. Good way to use leftovers. Probably good for beginning cooks too, or busy folks.

Ok, I've been known to be a cook book junkie. Even with the accessibility of the internet. If I get 5 recipes out of it that I will repeat, I'm happy. These had more than that. Most recipes in my opinion could be categorized as comfort food. Most recipe ingredients you probably already have in your pantry and there are recipes that help you to use leftovers from other meals. Simple directions and

delicious results, what more could one want?!

These recipes are easy to use and taste good as well as look good. These are great family meals and company meals and stress free. They also travel well and smell delicious. Walk in the door and everyone hovers around you enjoying the smells waiting to dig in.

I love soup, and can't wait to try these casseroles.

Easy to read directions. Items that you most likely have on hand. Everyday recipes mostly everyone would like even kids I will make them often . Hard to find something different every day . Works for me.

I have already tried 3 of these recipes, I will use many more. Sometimes we have everything in the cupboard & just need the idea of how to put a great meal together. Thank You.
