Customer Reviews

Nice smutty but romantic and again it leaves at a cliffhanger darn can wait for the other one to come out

I want to read more of this story so I hope 4 is not the end of it thank you

I love reading this Manga. I have the both books. It was a great one that I will reread over and over. It was great. I hated that it ended

I thought #2 was going to be better than #1, but I was wrong. For one, it's even MORE inappropriate

than #1! Like the beginning scene. When Yui gets ready to go in the shower, and she finds Natsu in there. I saw a little too much! AND she calls him a pervert, but lets him stay?! Also at the swimming pool party. It's normal for a girl to wish she had big breasts, but why does Natsu pull off the top of Yui's bathing suit? If I were Yui, I would've slapped him, or said, "What do you think you're doing, you hideous, idiotic, perverting PSYCHOPATH?!?!?!?" then slapped him. But Yui likes it?! Guardian Beast and have to perverting her body to keep her alive or not, I WOULDN'T WANT NO PERVERTING BOY TOUCH MY BODY!!!! Yui should just give up on that perverting lousy Guardian Beast! And also, I'm confused. If all of Yui's relatives died young, who does she live with? She doesn't live in an orphanage, because I only saw her and Natsu. And does she have to take care of herself? Even if all her relatives died young, she still needs an adult to take care of her. It's child endangerment to have a child take care of his or herself. This manga is a dumb piece of crap. It's not for children and teenagers. Adults shouldn't even read this junk! I don't recommend letting your child read this unless they're 18 or older, and love romance mangas. This stupidity is only for adults who REALLY like romance mangas. Other than that, you shouldn't read this stupid manga.

This series is a real pull in. I wouldn't mind owning hard copies. I feel so curious about the shadowy demon clouds even more after reading this one. Also Shu seems to be a rival of some sort. Waaaah I wanna read more. Natsu is quite an attractive character.

You have to enjoy these type of romantic books to be able to read them. Great book to be honest.
