Ellen W. Leroe created her first picture book at the age of seven, and has been writing ever since. Growing up in New Jersey, she now lives in San Francisco with fantastic views of the water and the Bay Bridge from her office. She has written over thirty books for children of all ages, and considers that play, and not work.

This book has stickers at the back that you put in thre major landmarks when you have seen them. My kids 5 and 7 LOVED it.It also gave us some great ideas of places to go. Highly reccomended.

This book is a great teaser for kids before a trip to Philadelphia. It has give my Grandson a chance to preview the trip.

Just as expected. We are from Philadelphia but live in AZ now so my kids love to read and see Philadelphia often. Great Book

We love this book. My son reads it often and knows more about Philly landmarks than me because of it.
