Tom Of Finland

Synopsis

Bigger is better: Tom of Finland, oversized for maximum pleasure In 1998, TASCHEN introduced the world to the masterful art of Touko Laaksonen with *The Art of Pleasure*. Prior to that, Laaksonen, better known as Tom of Finland, enjoyed an intense cult following in the international gay community but was largely unknown to the broader audience. In 2009, TASCHEN followed up with the ultimate Tom overview: *Tom of Finland XXL*, a beautiful big collector's edition with over 1,000 images, covering six decades of the artist's career. The work was gathered from collections across the United States and Europe with the help of the Tom of Finland Foundation, and features many drawings, paintings, and sketches never previously reproduced. Other images have only been seen out of context and were finally presented in the sequential order Tom intended for full artistic appreciation and erotic impact. The elegant oversized volume showed the full range of Tom's talent, from sensitive portraits to frank sexual pleasure, to tender expressions of love, and haunting tributes to young men struck down by AIDS, and was completed by eight commissioned essays on Tom's social and personal impact by Camille Paglia, John Waters, Armistead Maupin, Todd Oldham, and others, plus a scholarly analysis of individual drawings by art historian Edward Lucie-Smith. The only thing missing from *Tom of Finland XXL* was a widely affordable price tag—until now. The new *Tom of Finland XXL* is still big enough to work your biceps, and includes all of the original content, but costs a fraction of the original price. You're welcome. Brilliant book, amazing format, art and photos; if you enjoy Tom of Finland this book will bring lasting enjoyment to your collection.

A fantastic purchase, well worth it for such a collection if you happen to be a fan. The outside sleeve of the hardcover book was damaged and marked in multiple spots however. It looks like this book perhaps wasn't actually new, and was maybe carefully owned or even just sloppily handled when packaging. The inside seems to be in mostly almost great shape and is full of beautiful images. There are a few pages with questionable smears and some folded edges. A great addition to our library for it's original content, not the added extra possible DNA. I love this book, but the seller had to have known that this WAS NOT a new book...

This book is a BIG and heavy. A great collection of his works from early years to the latter ones we are more familiar with. Great collection piece to my library.

Great Book and worth the price. The ultimate book on the great Gay Artist. Very Erotic and informative. a complete history of Tom Of Finland!

Brilliant.

Possibly the greatest purchase of my entire life

book is in good shape

WAY beyond what I expected. Every page is more wonderful than the previous-and the gatefolds; of which there are many...are stunning.
