Customer Reviews

I've been using this book for our Bible Study Group very successfully for the past 8 weeks. It is meant to be used as an individual study guide along with group discussion. Each of the sections in the book cover 2-3 chapters of Revelations. Our group of 6-7 people meets weekly and we are

taking one section per week. There are 8 questions per section on average, and we typically take the full 90 mins to discuss them. The questions are more than just content, they promote great discussion. I would recommend "BE Victorious" as an excellent tool to support an in-depth Group Study of Revelations.

Warren Wiersbe has a way of cutting through confusing Scripture and making it clearer. A talented teacher and writer, he takes a complicated book like Revelation and applies Bible scholar explanations for a better understanding of the text. Recommend his Be series books as a nice companion to the Bible. Thought provoking questions at the end of each chapter are a nice small group study bonus. Grace and peace.

I was always hesitant about studying Revelations because of the symbols etc. However, I took this course using this book. All I can say is, wow! An excellent book that gives in depth explanations without being confusing. I will add more of Warren Wiersbe's books to my collection.

I have most of the set and they are wonderful to help understanding the Bible and at pointing out things I sometimes miss. Great study helper.

OK

Well written book, devoid of unnecessary condemnations of others. A book to guide us thru' the coming turbulent time and also to give us hope for the future.

This book was really a blessing and encourage me to continue to do God's will under the power and guidance of the Holy Spirit!

Love Wiersbe, Written on a level easy to understand.
