Customer Reviews

Perfect timing for me! I was going to do an in-depth study on Lev and Acts because of the Books I am studying on the Atonement and was relistening to the naked bible podcasts. Now these are in book form and makes my job much easier. Great jobs by all involved getting these out. For a serious study purchase these. I am leaving the same Review for both that were just released--_Notes on the Book of Acts_ and _Notes on Leviticus_. I highly recommend these as well as his other works.

One of the best Bible books you will ever read everything by Heiser exceeds my expectations and I have spent a lifetime of Bible Study

The book had numerous ghosting errors, which made it challenging to get to the text. But, Dr. Heiser does his usual great job of connecting pieces of the text together in new and insightful ways.

Awesome to have these when referring back to the podcasts days later.

Very interesting view of tying the spread of the Good News starting at Pentecost as a fulfillment of God reclaiming the nations. This is just one theme that Dr. Heiser explains as he comments through the book.

Excellent material deeper insights into the book of Acts

great for the money

This is, by far, one of my favorite books on the Book of Acts I have read. I love how Dr. Heiser touches on points that most people don't. It's always great to notice subjects I never knew were there before.
