## Customer Reviews

Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

Trumpet Professor requires this book for class. Will edit the review once I use it, but it must be good.

This book is full of challenging excerpts and etudes. It is aimed at advanced players. I only wish it were spiral bound.
