Great ideas in this book.

Great book, all the projects are well explained and photographed with inspiration to work with adding to and improving on your own ideas. No matter your artistic experience you will be inspired and have the techniques required to make beautiful and creative journal pages.

love it

This book is amazing! Very detailed and beautiful pictures. I can definitely recommend it to anyone looking for a book with step by step instructions on mixed media art/art journaling.

Great book. I have taken classes from Dina Wakley and have her products. Great to have her book to refer back to for techniques and examples!

Beautiful stuff...not my style, but I could use some shaking up in my artistic approach. Love the book.

Art journaling for seniors is a class I teach and this is one of our reading list texts. The class loves it. We love the examples that inspire us.

This is a great follow up to her first book with more emphasis on personal development yet has many new techniques as well. Beautiful samples and explicit directions for several projects.
