# Hot Words For The ACT

## Synopsis

This helpful book for college-bound students presents and defines more than 250 words that appear in the verbal portions of the ACT exam. Also included are real test taker's anecdotes, memory tips, review exercises, and an alphabetical word index. Lessons provide numerous illustrative sentences using vocabulary relevant to the ACT English, Reading, and Writing tests. College-bound students who successfully complete the book's exercises and master these words will expand their lifelong vocabulary, enrich their essay writing and speaking, and improve their chances for acceptance at the colleges of their choice.

## Customer Reviews

A native Long Islander, very happily married, and mother of three loveable sons, Linda Carnevale has been writing college preparatory books for BARRON'S Educational Series Publishers since 2000. Titles include HOT WORDS for the SAT, SAT 1600: Aiming for the Perfect Score, and ACT English, Reading and Writing Workbook. A distinguished alumna of Columbia University's Teacher College where she earned a Master of Arts in English Education with an emphasis in nonfiction writing, Carnevale (a sought after SAT and ACT verbal coach) directs a full-service, all-subjects tutoring company: [www.SelectTutorsPrep.com](http://www.SelectTutorsPrep.com), New York's Premier Academic Matchmaking Service, specializing in college and graduate school admissions exams. Mrs. Carnevale has been a tenured teacher of English at Cold Spring Harbor High School, a nationally-ranked TOP 100 Gold Medal School. Among her dozens of local and national published credits are Long Island Quarterly

literary journal, Conde Naste's BRIDE'S Magazine, Modern Bride magazine, and most recently, PAUMANOK: Poems & Pictures of Long Island (Hardcover Anthology, 2010).

This is the book the SAT prep teacher recommended for my son's class.

not bad

Priced right.

Hot Words for the ACT is a professional paperback book that will show high schoolers or adults who want to go to college how to best study vocabulary for the ACT test. In Hot Words for the ACT Ms. Carnevalee, M.A. provides the tools to instill high school students (and adults) with a lifelong love and understanding of words, without being overwhelming. This go-to book for college bound students presents and defines more than 250 words that commonly appear in the verbal portion of the ACT exam. The book also includes: > Helpful anecdotes illustrating how vocabulary strengthens students' verbal scores > Memory tips and review exercises > An alphabetical word index > Vocabulary enrichment for the ACT English, Reading and Writing tests College bound students who successfully complete the book's exercises and master these words will expand their lifelong vocabulary, enrich their essay writing and speaking, and improve their chances for acceptance at the college of their choice. Hot Words for the ACT starts simply enough. A brief selection of words with their definitions, short exercises to show knowledge of the words. I would've liked to have seen more than two exercises per section. I did like that they went into detail about the words, different meanings, parts of speech, plus examples. Memorizing words is the key in this book, but college-bound students will greatly increase their vocabulary. Learn different ways of saying things and understanding rarely used words will teach the value of a good vocabulary and impress peers and others of your command of the English language. It will also instill self-confidence as well as children and teach them the history of how our English language grew and changed. Recommended.
