The Phoenix Endangered: Book Two Of The Enduring Flame

Synopsis

In *The Phoenix Endangered*, the second entry in *The Enduring Flame*, Tiercel, a budding High Mage, and Harrier, a reluctant Knight-Mage, develop greater power and learn of the evils of war when they see the devastation caused by the fanatical armies of the Wild Mage Bisochim. The desert tribespeople led by young Shaiara flee Bisochim's evil, seeking a legendary oasis deep in the desert—a refuge that may hold the key to stopping Bisochim and preserving the Balance between Light and Darkness...or that may be the cause of Light's ultimate downfall.

Customer Reviews

Harrier Gillain, future Knight-Mage, and his best friend, Tiercel Rolfort, High Mage in training, tread familiar ground in this sequel to 2007's *The Phoenix Unchained*, following the command of the Light in a quest to destroy the Dark. Accompanied by Kateta, a pushy, nagging unicorn, and the mammoth black dragon Ancaladar, the teen heroes prepare themselves in the elven city of Karahelanderialigor before setting out in search of the Lake of Fire, where the Wildmage Bisochim Bluerobe is raising a fanatic horde of desert nomads. Harrier and Tiercel's lengthy trek comes most vividly to life through the subplot of young nomad leader Shaiara, who risks her whole tribe on the chance of finding Abi'Abadshar, a legendary oasis of alien technology. Adding thinly veiled racial subtext to the customary coming-of-age world-saving story, this epic will mostly appeal to those who like their fantasy by the numbers. (Sept.) "Entertaining...The consistently enthusiastic performance by...Duffris transports listeners directly into the story." ---Library Journal Audio Review

Love this series.

Movement from the beginning on. Waiting for the next book.Where did the Dragon go? Will another Dragon come to the aid?Gotta go now book 3 is waiting..

I've read a lot of Mercedes Lackey's books and found the majority of them to be either excellent or at least good. This book is a stark exception and stands out as one of the worst books I've read in a while. Somehow it manages to hide what little plot may exist to the point where it can't be found, and then makes unicorns, dragons, magic and adventure utterly boring.I read the Obsidian Trilogy and the first two books of that left me wanting to know the rest of the story. Many of the same ideas were rehashed in this novel but by now they are old and over used. Not only that, they really don't contribute anything to the book, except to provide an excuse to fill up some more empty space on the page.The third book of the Obsidian Trilogy was a weaker ending to a great beginning. That book resolved everything much too quickly and neatly. It would have been much better to use these additional three books to continue the story after the second Obsidian book rather than just dropping the reader off a cliff in the third book. After doing that in the third Obsidian book there really wasn't anything more to write about. The Pheonix trilogy certainly illustrates that point clearly as it starts slowly and gets even slower in the second book.If you really must read everything that Mecedes Lackey writes then go ahead and read this book. If you're looking for entertainment, something artful like the first two Obsidian Trilogy books or great writing then you should look elsewhere.

Great book, continueing series

Wrote my review for Phoenix Unchained.Short of it....don't waste your time reading these.

Really enjoyed this ... g

Have really enjoyed reading this series

Love this writer and format of audio book!!
