Tourism In Senegal And Goré Island: The Trace Of Slave Trade Exit, Find Out How It All Happened And The Colonial Capital Of St Louis

Synopsis

Senegal is the center of tourism in West Africa. Sunny Senegal, the westernmost country on the African continent, sees about a million visitors a year. The country's 350 miles of coastline along the Atlantic Ocean traditionally has been one of its major draws. If you are looking for more than a resort vacation, Senegal also has plenty of tourist attractions inland: parks crawling with wildlife, massive mosques and historic sites recalling the dark days of slavery. Senegal's beach resorts are the genesis of its modern tourism industry, dating back to the country's first Club Med that opened in the 1970s. Many of these beaches are close to the capital Dakar: Plage Bel-Air, N'Gor Island and Yenn. To its south is a nearly 100-mile stretch of sandy beach known as the Petite Cote, dotted with assorted small fishing villages. Goree Island, off Dakar's coast, is one of the country's most-visited historic sites. The island, also a UNESCO World Heritage Site. This eBook titled: "Tourism in Senegal and Gorée Island" is provided for your Guide and information when touring Senegal, you don't need to get lost or frustrated during your tour in any way, and you will have the knowledge of the environment and the places you intend to visit ahead of your visit. Security information is very important when touring a country. Our security information in this book is complete to provide you the security guide, once you abide to the instruction given in the book. You may need to read and understand the information related to Senegal tourism and its content without traveling to Senegal in person, you can only achieve this by making this book your tourism informer (presided for Senegal tourism), you will not have any information to miss out
