## Customer Reviews

I teach a combined class of 8 students from Kindergarten to 7th grade and this book is very adaptable. Group Publishing does a fantastic job with these lessons. Start here and look for the other Travel Guide books. They are easy to teach and you can 'dumb them down' for the little kids if you need to.

We use this curriculum for our Children's midweek lessons. It is easy enough for anyone to follow and has content that is reliable and consistent. I have purchased all of the "Travel Guides" so far!

Our teachers loved this curriculum so much they are asking for the other "Travel Guides" in the series. We'll do the Fruit of the Spirit next.

Fun way to walk through the Beatitudes.

will use in children's ministry soon

Love the Travel Guides!

Great lessons with lots of information.

Lots of ideas for each lesson.
