In honor of God, my family, and my future spouse, I commit my life to sexual purity. Can you believe that the decisions you make today can affect you for the rest of your life? That's why thousands of preteens and teens are committing to the Purity Code. It's a promise to God, your family, and your future spouse to live a life of sexual integrity and purity. It might sound easy, but it actually takes an incredible amount of faith in God and a lot of self-discipline to make it work. To fully live by the Purity Code, you need to understand sex and your body. This book is a must-read if you've ever wondered: What do the changes in my body mean? Am I old enough to go out on a date? How far is too far? What do I do if I think I've been sexually abused? Can I get an STD without having sex? They're probably some of your most embarrassing questions, but you'll need honest answers to make the important decision to keep your body, mind, eyes, and heart pure. With the Purity Code as your lifelong personal challenge, you'll honor both God and yourself, and you'll be healthier and happier for life! A Note to Parents Kids learn best when they talk and you listen. After you've read Teaching Your Children Healthy Sexuality, read The Purity Code together with your child and discuss the questions at the end of each chapter. Since every child is different, some of the material may need to be adapted to fit each individual's maturity level.

Great book to get for your teens. I recommend reading it before you give it to your children. Even better if you read it together. Great way to break the ice on some very delicate topics. Love Jim Burns.

Easy read. Very informative and thought provoking. Good points on how today's culture bombards us with sex. Greater points on how to overcome the influence of today's culture.

This is a must read for parents and tweens. I am reading it with my 11 old daughter. It is a great way to teach and explain our values!!

Great Product. We're using it for church on a teen group. The way the book is set up makes the lesson easier to teach

This is definitely an Awesome Biblical Educational Tool for Teaching Abstinence! Every pre-teen should have one of these books and every parent should have a desire to teach such biblical principles regarding the importance of abstinence for our youth.

Excellent format (each read a chapter, discuss that chapter's questions). Direct and current language but doesn't end up trying so hard to be hip that it misses the point. Shares the truth about God's intent for the gift of sex and how to reap the full benefits of that gift. The practical application of "how" to remain purer (thus enjoying more of the blessing) than the world would have you believe is possible, is invaluable.

One of the best tools out there for parents to read and then use as they have a continual conversation with their children about purity and intimacy.

I use this book for bible study with my family. Of course, my son rolls his eyes when we go through the lessons but he participates and that's all that matters!
