Love flas cards.....

Just what I needed

I used these flash cards every single day!! i absolutely loved it! it will for sure help you prepare for the AP exam for Biology!

Ready for my testing!

My daughter's teacher recommended these cards as well as the book to help her with her AP exam. We will know the results in July!

It was terrible! When I got it it was A.P. U.S. History flash Cards! I WASTED MY MONEY!!!

You cannot skip to another chapter or page number. So, you must go through nearly every card and skip them if you want one of the later chapters!
