Great book, lots of fun to read to both of my kids (3 and 5) at night, each page asks you to try and find all of the characters and objects on the page, and each page is a different month of the year showing you how life at the castle changes over time. Pictures are crammed full of lots of tiny details that the kids love.

great children's book and helped me with my diorama in 1/87 scale in painting and making a castle

I am the grandma and I bought one of these for my granddaughter and one for myself! This is an awesome book that show the history of long ago in a fun way!

wonderful book for younger kids

I enjoyed this book and am ready to pass it on to the grandkids. Lots of fun! I liked finding the thief and how the castle shifts its work around the year.

Great book!

Great pictures

This book has amazing illustrations. You can spend lots of time looking at each one, so many details. The progression of the year is fun, always things to "spot" in each page, and even if a kid couldn't read they can learn a lot by just looking at the drawings!
