Full Speed

Synopsis

A novel brimming with nonstop action, quirky characters, sexy highjinks, and sharp humor Welcome to Full Speed. You'll fall in love with Jamie Swift and Max Holt, one dynamic duo who can't seem to escape trouble and an irresistible attraction as you follow them from one adventure to another. Newspaper editor Jamie Swift likes a little predictability in her life. When she suddenly finds herself minus a fiancé and with a major case of the hots for her silent partner, millionaire Maximillian Holt, any bit of predictability goes right out the window. Max is like a tornado, turning her well-ordered world upside down. Now someone's unhappy with Max's recent business deal dangerously unhappy. Before she knows it, Jamie's hotfooting across state lines to help Max and land a story. But Sweet Pea, Tennessee harbors some smelly secrets, many of which reside under the big tent of revivalist Harlan Rawlins, whose link to the Almighty rides shotgun with his Mob connections. Posing as husband and wife, with computer genius Muffin and a mutt named Fleas along for the ride, Max and Jamie are in the middle of another crazy case, closer than ever to each other and too close for comfort to the kind of people who will do anything to stop them. --This text refers to an out of print or unavailable edition of this title.

Customer Reviews

The dynamic, sexy and hilarious duo of Jamie and Max are at it again. When you get these two together there are bound to be sparks and calamities. Hold on for the ride! RTA Book Reviews --This text refers to an out of print or unavailable edition of this title.

Dear Reader, Welcome to the world of Jamie Swift and Max Holt! My good friend Charlotte Hughes and I have teamed up to create a series of books featuring these two characters and they've taken on a life of their own! These books are not set in the same world as my Stephanie Plum novels, but what they have in common is lovable, dysfunctional characters, villains you love to hate, and a cross-eyed way of looking at life. Jamie and Max have intense chemistry-even though they drive each other crazy. Max thinks Jamie is a magnet for trouble and Jamie thinks Max is the most annoyingly sexy, mysterious man she's ever met. She knows she should stay away from him. But boy, oh boy, do the sparks fly when they get together. Jamie is a newspaper owner from a small southern town. And in Full Speed, she's after the story of a lifetime. Max Holt is right in the middle of that story, and so Jamie tracks down the millionaire playboy, forcing him to take her on as partner. What follows is a story of a corrupt minister, a gang of mobsters on the loose, a hound dog called Fleas, a wise-cracking computer genius, and lots of love in the fast lane. Not to mention plenty of steamy action between Jamie and Max. So have fun with Full Speed. We're going to sign off now and get back to creating more romantic adventures between Jamie Swift and Max Holt. Enjoy and happy reading! Janet and Charlotte --This text refers to the Mass Market Paperback edition.

I got my books mixed up on people in the books. In Full Speed is Jamie and Max. Full Scoop is Maggie. Sorry!!! They are all so good. Love them all. Feel good books.

I have read so many negative reviews about Full Speed and I have to ask this question. Maybe its a question of taste and what readers prefer. I am a diehard romantic who prefers to read books with romantic banter, that include mystery and adventure, and the full series fits the bill. I have read Plum and in all honesty I got tired of it half way through the eighth book, guess its not my cup of tea, although, I know that many do like it, to each his own. However, for me I prefer the Full Series and Full Speed is a great installment to this series. Some have complained that there were too many interrupted romantic interludes between Max and Jamie in this one, but I think their relationship is right on course, after all this is only the second book, I hear things heat up in the third installment, I can't wait. Frankly, it comes down to this if you like a romantic mystery with a little quirkiness the Full series is for you, however, if you prefer a whole lot of quirkiness, a whole lot of mishaps, more mystery and a little romance thrown in for good measure then you would probably prefer the Plum series, these series are very different and should not be compared to each other even if they are written by the same author. Personally I prefer the Full Series and Full Speed was a great installment for this series.

Enjoyed the book, will start next one in the series as soon as possible. Great light reading. Is a laugh out loud

I like the addition of the dog. Keep in the in all future books also. Makes it more real. Good book

I enjoyed Hughes input in the "Full" novels

SHE IS A WONDERFUL WRITER AND KEEPS YOU ENTERTAINED

Like all Janet Evanovich's work, (at least all that I have read) this is a light hearted read. Not quite so frantic or all out funny as her Stephanie Plum series, but very enjoyable. I realized after I had bought this that I have read the 1st and 3rd stories in this series, but that did not really impact on this story, other than to know that the couple go on to have more adventures. Personally, I can not come to grips with a heroine who does so many dopey things as the heroine in this story. My memory is that she sorts herself out by the next story, thank goodness but just the same it was an entertaining read.

it was a very easy and fun to read. Trouble always seems to find it way in her books and I enjoy reading how they get out of trouble
