Knapp is Distinguished Professor of Law, University of California, Hastings College of the Law.

I ordered contract law but I received a book named Problems and Materials on Payment Law??????? Tomorrow I will have contract law class and I will go to the class without my textbook ready.

When your law professor asks you to read pages 1-28, how will you do that without actual page numbers in the Kindle edition? Great job, publisher. You created a digital version of your book that's essentially useless, then charged \$200 for it.

Good!
