Obsidian Son: A Nate Temple Supernatural Thriller Book 1 (The Temple Chronicles)

Synopsis

A city that doesn't believe in magic. Bloodthirsty weredragons. Good thing this reckless playboy has superpowers. It's been said that monsters cry when a good man goes to war. But they should run screaming like little school girls when that man is secretly a wizard, and maybe not necessarily good. Nate Temple's all-consuming quest to avenge his parents is temporarily put on hold when shape-shifting dragons invade St. Louis. And perhaps cow-tipping the Minotaur for answers might not have been Nate's smartest opening move, because now every flavor of supernatural thug from our childhood nightmares is gunning for him. Nate learns that the only way to save his city from these creatures is to murder his best friend. Nate's choice will throw the world and his own conscience into cataclysmic chaos: avenge his parents or become a murderer to save his city. Because to do either, he's going to have to show the world that magic is very, very real, and that monsters are very, very hungry. To survive, he might just need to take a page from the book, *How to Win Friends and Influence Monsters*. If you like Jim Butcher, Kevin Hearne, or Patrick Rothfuss, you will LOVE the first installment of The Nate Temple Supernatural Thriller series. INTERVIEW WITH THE AUTHOR:

Q: So, what makes the Nate Temple series special?**A:** I wanted to write a series of stories that mirrored the books I liked to read in my childhood. My top picks were usually urban fantasy, paranormal best sellers, and of course, books featuring your classic gritty, pulp-fiction heroes. Basically, anything with a lot of creepy crawly supernatural characters: mythical creatures, ancient heroes, super villains, and gods. You will find that my stories focus on the ancient myths, characters, and stories we all know, fear, and love. Then twist them up and toss them back like an empty beer can.

Q: What order should I read the books in?**A:** I've written the series with the intent that they should be read in order to get the full effect of the bigger picture; however the stories can be read in any order if you are looking for a quick, fast-paced romp through Adrenaline-ville. I suggest the following sequence: Obsidian Son, Blood Debts, Fairy Tale – Prequel (FREE to email subscribers), Grimm, Silver Tongue, Beast Master, Tiny Gods, Wild Side.

Q: So, why should readers give these books a try?**A:** Because the Nate Temple series is a present day thrill-ride that takes no prisoners. Dragons, Angels, Demons, Greek Legends, Wizards, werewolves, and a whole slew of other supernatural freaks abound in my stories. Obsidian Son has hit the top ten bestsellers list on Kindle for Urban Fantasy and Paranormal. The plot twists and turns until the last page, and my twisted sense of humor will have you laughing out loud at things you really shouldn't be laughing at. I mean, the first chapter depicts the legendary, murderous Minotaur as a reformed Buddhist, and Nate cowtips him. Come on!

Customer Reviews

I really enjoyed it. Completely different. Great characters, well written and you really like them. Keeps your interest from the beginning. Can't wait to read the next one and find out what they are up to!

Truly enjoyed this book ,and best of all I do not have to wait months for the next book right now this series will replace the void left by the dresden series good fun and easy and fast read

An all around enjoyable book if one doesn't get distracted by the unexplained and can just accept magic as natural. Looking forward to more adventures with Nate.

Yes, I love the humor! You have done well with the action and characters. I can barely put my kindle down to do anything like eat, drink fluids, sleep, etc. I bought the series of 5 books. I love magic. This is one of the best! I am on book 3 now. Only I am such a fast reader and I can't wait to get book 6. Got any other books too?

A solid start to a series. Jumps into the action with a little less character development than one might expect. I actually prefer that to a ponderously slow buildup, especially in what looks to be an entertaining series. Characters can be explored more deeply in subsequent books. It will be interesting to see the development of the "normal humans becoming aware of the existence of magic and monsters" theme. Definitely worth a look for fans of Harry Dresden, Atticus O'Connell, Sullivan or Alex Verus

I enjoyed this book immensely. Nate has a nice witty attitude that amuses me while annoying his adversaries, this is a nice touch to his personality that I really liked. The world is interesting, drawn in a real location, with the fantasy as an added layer, much like some of my favorite books/authors have done in their worlds. I can't wait to see what comes next.

I am hooked on the series. Read the prequel yesterday and Obsidian Son today. Am looking for the next one now!

I enjoyed Obsidian Son. I voluntarily reviewed an Advance Reader Copy of this book.
