The Tiger's Fang is Paul Twitchell's account of his incredible journey to other planes of existence where he finds himself in the company of Rebazar Tarzs, the great Tibetan ECK Master, ancient advocate of the ECK teachings. "Whether The Tiger's Fang is a record of an actual spiritual journey or the vivid impression of a vision that has been granted to few mortal men, must remain a matter for the individual reader to judge. Whatever The Tiger's Fang may be, it is certain that the book is a most remarkable work, a volume that has few peers in its array of challenging concepts, provocative thoughts, and inspirational wisdom."-- Brad Steiger, from the Foreword

"A most remarkable work, a volume that has few peers in its array of challenging concepts, provocative thoughts and inspirational wisdom."--Brad Steiger, from the foreword of the original novel The Tiger's Fang

When Paul Twitchell made Eckankar known to the modern world in 1965, he separated spiritual truths from the cultural trappings which had surrounded them. Average people could begin to experience the Light and Sound of God while still living a happy, steady, and productive life. Paul Twitchell was born in Kentucky in the early part of the twentieth century and served in the US Navy during the Second World War. A seeker from an early age, he was introduced to a group of spiritual Masters who would change the course of his life. These were the Vairagi ECK Masters. While they trained Paul to become the Living ECK Master, he explored a wide range of spiritual traditions under different teachers. The high teachings of ECK had been scattered to the four corners of the world. Paul gathered these golden teachings of Light and Sound and made them readily available to us. It was these God experiences he chronicled in his book, *The Tiger's Fang*. Paul Twitchell eventually joined the Vairagi Order and was given the task of bringing Eckankar to the world. He became the Living ECK Master. By 1965, Paul was giving Soul Travel workshops in California and offering discourses on the teachings of Eckankar. A community of ECKists began to grow. In 1970, Eckankar was established as a nonprofit religious organization. Paul Twitchell died in 1971, but not before he initiated many into the ECK teachings. The present-day Living ECK Master is Sri Harold Klemp. He continues to give new life to the age-old spiritual teachings of ECK. (Eckankar.org)

You can learn very much by reading science fiction i.e. *The Twilight Zone*. This book takes you on a fantastic journey imparting wisdom along the way. Maybe Paul Twitchell was a master plagiarist but to be a master of anything is to still be a master. In one of Paul Twitchell's science fiction books he almost jokingly mentions a great many eck masters trying to solve some problem so maybe that might have been what Paul Twitchell intended to do all along, create eck masters.

This book is beyond words.

An excellent ECK book. If you are a seeker of truth, this is one book you will want to add to your home collection. Mr. Twitchell lived a very interesting and adventurous life of mysticism.

Paul Twitchell has a punchy style that hammers out the information hard and fast. Sometimes it's really a lot to take in all at once, but it's well worth the effort. Fascinating.

Paul Twitchell makes esoteric concepts easy to understand. He is heck of a writer

Awesome book!!!!!!

It is not like the one I read years ago.

For those who are interested in learning about the true heavens far beyond the temporary ones of the "near death" experience, this is essential reading.
