Diary Of A 6th Grade Ninja 2: Pirate Invasion (a Hilarious Adventure For Children Ages 9-12)

Synopsis

Age Level: 9 and up | Grade Level: 4 and up
My name is Chase Cooper, and this is my second diary as a 6th grade ninja. It's only been a month since my last entry, but in a school as crazy as mine, a month is an eternity. My school recently had a day where everyone talked like a pirate, but it didn't stop after that! It became worse as the week went on, and pretty soon there were rumors of a massive pirate invasion. I ignored the warnings because I thought they were a joke. Turns out... I was wrong. Now my entire school is in danger, and I'm the only one that can save it. *Diary of a 6th Grade Ninja 2: Pirate Invasion* is a funny thriller that's entertaining for kids, middle school students, and adults.

He loved all the Encyclopedia Brown books, and when we exhausted the supply of those, we found these. We're reading our fourth one now, and he can't put them down. The goal is to knock out two or three chapters as bedtime reading every night, depending on the length of the chapters, but I frequently get "Just one more, Dad? It's getting too good." I'm picky about grammar mistakes, and

there are plenty to go along with multiple typos, but the pacing of the stories keeps him interested and builds the suspense just enough to keep him reading. I suppose that's the most important part at this point in his reading career, and I enjoy having his sense of adventure and imagination stimulated. For a nine year-old boy, are there many things more fanciful than secret student ninjas safeguarding the school? Apparently not, and he loves them. When the last sentence of each book is read, he's ready to jump into the next one.

As I have already read the first book in the series, my class had requested I purchase this, the second book in the series. We have almost finished reading it and once again my class love it. There are always moans and groans when I stop. This book is really suitable for today's students.

Hilarious funny and very Interesting recommendation for kids and adults with A child spirit .love it never took a break

Grandkids love the Diary of a 6th Grade Ninja series

I would recommend this book to a student in middle schoolBecause they might experience things just like events like thisI love this book series as a rising now fith grader since I just graduated from fourth grade and I really enjoyed this book even though I am on theSecond book I already love this series of books

My son liked the book

Great gift.
