The Holy Bible: Containing The Old And New Testaments With The Apocryphal / Deuterocanonical Books [New Revised Standard Version]

Synopsis

The Oxford NRSV Bible offers readers an unbeatable combination of quality construction, affordability, and the most accurate translation of the Bible available today. Churches and homes across America overwhelmingly choose the NRSV for its easy-to-understand translation and its sensitivity to inclusive language. A multi-denominational committee of scholars from around the world based their revision on the original Hebrew, Greek, and Aramaic texts. The Oxford NRSV also includes the most complete collection of Apocryphal and Deuterocanonical books. The Oxford NRSV follows in Oxford University Press's long tradition of publishing elegant bibles under the best biblical scholarship available in the world, offering the highest quality bibles for reasonable values. Choose from an array of attractive bindings and colors - cloth, fine leather, and economical paperback editions - to suit your needs. Whether for gift-giving, individual study, or for church distribution, this durable yet elegant bible is perfect for any occasion. Features include: * Two column text. * Eight pages of full color New Oxford Bible Maps (except for 9820A) * Ninety-six page, select NRSV Concordance. * Available with and without the Apocrypha

Customer Reviews

"A quantum leap forward, a work of such quality that it can serve, as the KJV and RSV once did, as the definitive translation for North American readers." --Christian Century "Will be used by millions...for public and private worship." --Time Magazine

Bruce M. Metzger is Chair, NRSV Bible Translation Committee.

I am not a Bible authority. This is the translation my Unitarian minister recommended. It reads easily.

This is the first Bible I have owned that included the apocrypha. I am enjoying the additional historical books.

Great version with a lot more of the deuterocanonical books than any other Bible, excepting the Ethiopic Bibles, which include the Book of Enoch (and Jubilees, I think). Apart from not having those, this is a great Bible. It's also an excellent translation, and far less driven by the politics of the far right than say the NIV is. As regards the print, it's not the largest I've seen, but it's far from the smallest, and it's well spaced. Overall, for the size of the book itself (which you can hold in your hands without being too heavy), it's pretty good. But if you're older and need reading glasses, get 'em out.

This is a nice, plain-language Holy Bible. I still much prefer the NIV. Nevertheless, I am glad that I have this because it helps me cross-reference verses.

Nice bible

Has the word of the Lord

Text is a good size and the paper is bright so it is very easy to just sit and read.

I bought this edition of the Old and New Testament version of the Bible as I have my mother's Oxford edition from the late 1940s. This is a well researched and well written bible. It is easy to read and has many inclusions to assist with understanding the area and the intended meaning.
