## Customer Reviews

Gordon Ramsay has launched a string of internationally celebrated restaurants in London with ten Michelin stars between them, and has restaurants in Dubai, Tokyo, New York and Florida, with more planned. The author of numerous bestselling cookery books and two autobiographies, *Humble Pie* and *Playing with Fire*, Gordon is one of the biggest television personalities in the UK with his hit shows, *Ramsay's Kitchen Nightmares*, *Hell's Kitchen* and *The F Word*. He was awarded an OBE in 2006.

The s might be the best Gordon yet. I enjoyed the episodes then got the cookbooks to match. The different ways of making the same things all over each country was incredibly beautiful.

easy to understand and follow

Having eaten at Gordon Ramsey's restaurant in Chelsea, London, I know what a creative chef he is. This book reflects his genius.

this book. I'm excited to try some of the dishes. Chef Ramsay has an easy style of writing that makes it fun to read his stories as well as his recipes.

The book is great, the dvd is even better, if you get one you have to have the other. More please.

I love Gordon and he did pick some really delightful recipes for this book. Only reason I didn't give it 5 stars was that he didn't give pictures as many pictures for the recipes as I would have liked. The book is not so large that they couldn't have had a picture for every recipe.

This is a great book if you want to try out different recipes from Asia. I still have yet to try them out but they seem really good.

These recipes are for the most part quick, easy and delicious. There are enough really good ones to make the purchase worthwhile.
