Warlock By Jim Starlin: The Complete Collection

Synopsis

At '70s Marvel, no one mastered the startling scope and high-concept complexity of cosmic adventure like Jim Starlin! And his work on Adam Warlock set the tone for star-spanning spectacle that is considered a high-water mark to this day. Starlin evolved Warlock to the next level, imbuing the character with the inner demons of a man-god on the brink of insanity. Forced to confront an evil version of himself and the nihilistic menace Thanos, Warlock's conflicts weren't just knuckle-grinding throw-downs; they were epic, existential struggles for his very soul. Featuring the first-ever assembling of the Infinity Gems. COLLECTING: Strange Tales 178-181, Warlock 9-15, Avengers Annual 7, Marvel Two-In-One Annual 2

NOTE FOR INFINITY SAGA READERS: Try reading: Warlock Silver Surfer: Rebirth of Thanos Infinity Gauntlet Infinity Gauntlet: Aftermath Infinity War Jim Starlin wrote an absolute masterpiece with this one. Adam Warlock has, perhaps, the most profound motivations for a hero in any comic. Warlock must struggle for his soul on whether he can answer the call to heroics when people and the universe need him most. Starlin makes Adam make the choice as to if he should use his soul gem to steal the souls of his foes. The problem Starlin gives Warlock is that in sucking the soul out of his enemies' bodies, he is trapping their memories in his very mind. Warlock must face space perils, The Magus, Thanos, and a variety of other cosmic nemesis. Starlin wrote and drew pretty much all of the

comic issues collected within. It's gorgeous, smart, and some of the coolest Bronze Age comic book stories ever written. Adam Warlock is one of the greatest, most intelligent, and fascinating characters in comic book history. His is the struggle for the soul of heroes. His stories and morals are so universal and important to Marvel's history and every story after Warlock. Starlin is a genius writer and a talented artist. I hope you enjoy this comic book as much as I did. PLEASE READ THIS BOOK!

A masterpiece from the 1970's! Jim Starlin's cosmic savoir Warlock has a fantastic cast of eclectic characters! Pip the troll, Drax, the Destroyer, and many more verus the dreaded THANOS! You'll see universes live and die! You'll experience nothing like it ever again!

This was a gift for a friend and he loved it.

Excellent collection of stories. I loved them in the 70's and I love them now. An essential book for anyone who is in any way shape or form a superhero historian.

This is an interesting work by Jim Starlin from the early '70s and possibly ahead of its time. It features Thanos and Gamora (from Guardians) and is an entertaining read - not as good as I remember it, from way back when, but certainly worth checking out!!!

This is my favorite Marvel story, the whole team-up thing was so cool for me when I was A kid, Warlock, Capt. Marvell, Spider-Man...Thanos, brilliant story and art.

A great selection of Warlock stories by Starlin. The art is great along with the strong storytelling. Marvel at its best.

A great introduction to some of Marvel's most cosmic characters created by Jim Starlin. If you stuck around through the credits of Guardians of the Galaxy 2, you'll know the reference to Adam. If not, this collection will help you prepare for GOTG 3..
