Synopsis

Part one of this top-rated romantic suspense saga is FREE for a limited time to introduce you to this hot, new serial—click on book one to start reading. We hope you enjoy!

I sped along the breakdown lane covered in sand and trash. My tears streamed down so fast, I couldn't see. A speeding truck blasted its horn. Fear of death under a cold, metal fender caused me to overcorrect. Realizing how dangerous this was, I headed toward the access road that led out to the town reservoir. That's when I heard that same distinct motorcycle muffler roar behind me. I glanced over my shoulder to see a black-helmeted rider coming up, fast. As the mug shots of those drug dealers flashed into my mind, I pedaled faster, but the motorcycle's engine revved even higher as it sped up to catch me.

Romantic, thrilling, yet filled with drama and wit, *Everyone Keeps Secrets* is a character-driven serial that captivates and hypnotizes. Told across multiple generations, this contemporary saga, with an intricately woven plot and equally enticing characters, draws you into another world and never lets you go. The serial delivers equal parts mystery and romance, action and adventure that climaxes in an unexpected twist of an ending. It's a highly addictive rollercoaster of a story.

Description of Part Two, *Facades Crumble*: When tragedy strikes a family, the fall out can be devastating. For Police Chief Robert Kendall, life and death is part of the job, but what if tragedy hits home? While Robert is hot on the trail of a group of cunning drug dealers, he thinks about mistakes from his past—and the secrets that lay hidden there. Then in the second half of *Facades Crumble*, we return to present day Stony Creek as Simplicity continues to hunt down more answers to the handsome riddle known as Jake Hanson, but will her digging put her in grave danger? Masks peel away and buried pasts are exposed as *Facades Crumble*.

Volume One: *Keeping Secrets*, Part one of the serial is FREE for a limited time. Novella-length.

Volume Two: *Facades Crumble*, Where our heroine's backstory emerges is novella-length and is available on sale for \$.99. It ends in a cliffhanger. (P.S. I'd make this book free too if I could, but won't let me.)

Volume Three: *Hidden Pasts*, Our hero's tragic family past unfolds. (Not yet released)

Customer Reviews

I love this and only wish there were more ready to read but I will be patient...I am surprised that some reviews whined about it not being adults...reallyyou don't know a good story when you read one....and apparently you were never young and didn't ever experience passion...sad...it's great and like S King's green mile I love the idea of a serial...if you want more along this line but not a serial but multiple books ...try Tabitha King's Caretakers, Pearl, and Book of Ruben....also loved her One on One .

Much, much too short. This is a good story but each book, each chapter is too short. Katherine, good mystery to your characters but it is hard to get lost in the story because it is over so quickly.

I have a relaxed feeling about this story -- neither good nor bad. The prose is good but I don't have any particular feelings about the characters.

I enjoyed these books and will be anxiously waiting for books 3, 4, & 5 to be available. My curiosity is definitely at a high level to get on with revealing this mystery.

Great writing, suspense, mystery, and first romance abound. Short reads, I have to read more, to see where it's going.

2nd book in the series. Was very interesting, gonna get the next segment.

I enjoyed the innocent nurturing nature of the female character; always trying to take care of everyone. And the mysterious new guy, who has her venturing into uncharted territory. It's a cute read, that has you wondering "what really happened in his past?"

I felt like maybe this was more of a young adult novella. I expected more out of a saga, even if it's only a part of the story. It could use more development, and maybe it would be best if the entire story was combined to one book. I read through to the finish, so it was mildly entertaining for me.
