An experienced book illustrator and designer, Jess Volinski currently creates illustrations and surface designs for the publishing, fashion, tableware, and stationery industries. Her characteristically vibrant designs are ideal for coloring books. Jess is married to Erik DePrince, the artist behind Design Original's Manga to the Max coloring book series. Jess and Erik live in New Jersey and are the parents of two pre-teen children.

This book is a fun - makes me think of the Partridge Family bus! The designs are for the most part very similar but still fun and inspiring. I've already finished the first 3 in the book - one using shades of red, blue and purple, one using Neon Pencils and the last using Neon gel pens (sorry, no camera

or scanner). The designs are printed on one side only which is a huge plus for me - I've reached the point where that's about the only way I purchase books anymore. I always put a piece of parchment paper just in case but even the gel pens did not leak through - the paper quality is very nice. And I enjoy the little blurbs on the back of the pages - quotes by people like John Lennon, Eleanor Roosevelt, etc. Lovely book for the price and most definitely a relaxing way to spend a few hours each day.

Love this book with all the peace signs!!

I just love this adult coloring book, it takes me back to the 60's and 70's when I was much younger. I have been coloring and enjoying this book very much, at times I just can't put it down. It gives me a peace to be able to color and create and bring a page to life with beautiful colors. I would recommend buying all of Jess Volinski coloring books, they are good books to color.

Easy to color, hip coloring books. My girls enjoy hanging & spending time coloring these. Highly recommend!

The is such a beautiful coloring book and many of the pictures have large spaces to color. My 6 yo granddaughter has already claimed this one for herself so looks like I'll be purchasing another one. We both love it, thanks!

Gave this to my 9 year old daughter who loves music. she loves it! It's a little different from her other books as some of the pages have much more white/blank space, which I think is a welcome change.

I love the designs of Jess Volinski! Highly recommended for teens and adults! I bought this one for my teenager and she loves it.

Love this coloring book! It is super easy to color and the pages don't leak when you use markers. The quotes on the back of each page are great!
