PMBR MBE Multistate Bar Exam Practice & Strategies

Synopsis

The newest bar resource from the industry expert, PMBR[™]'s MBE Practice & Strategies provides a concentrated content review, targeted practice, and proven strategies for the key topics tested in each of the seven MBE subjects. Whether you are looking to supplement your current bar preparation or looking to get an early start, this book will support your efforts and enable you to answer questions with confidence. This book features:

- * Over 300 exam-like questions with instructive explanations for how to think your way through to the right answer and why the other answers are incorrect
- * Substantive review with emphasis on the foundational concepts and core rules that underlie each subject
- * Focused attention on frequently tested topics and information about how these topics are tested
- * Explanations of key terms and how the law is applied

Shipping Weight: 3.5 pounds (View shipping rates and policies)

Average Customer Review: 3.4 out of 5 stars 6 customer reviews

Best Sellers Rank: #1,070,468 in Books (See Top 100 in Books) #90 in Books > Education & Teaching > Higher & Continuing Education > Test Preparation > Professional > Bar Exam #213 in Books > Law > Specialties > Educational Law & Legislation #311 in Books > Law > Legal Education > Test Preparation

Customer Reviews

Looks great!

I thought this book was great for learning topics divided by sub sections. This book made it easier to understand rather than combining an entire topic without breaking it up for questions in between concepts. Majority of the questions are not bar type questions but some are. I loved that it gave you the elements of a cause of action and bare minimum elements/examples for each topic, so you are able to work your knowledge up from the basics, which allowed you to not get bogged down in all

the extras some bar courses give you. It is not a bad book to supplement your bar course-- would recommend it if time permits.

It has quick strategies and gives multiple choice questions to review those strategies fast, which is more helpful that it appears towards the end of study when you realize that half of your ability will be strategy because there are over 22,000 rules that are needed for this exam.

This book nicely breaks apart the law and gives examples on how certain areas can and may be tested. It provided clarity and the questions within each section solidified my understanding of the law.

This book was great for MBE prep. It provided so many examples in each section. Everyone should get this book if they're studying for the bar!

The questions are extremely easy and do not reflect what you will encounter at the bar exam. I had taken the bar once before buying this book and ended up returning it.
