"Brent is one of the few coaches that truly understand the total kicking game." - Brent West, Head Football Coach, Cisco HS, Texas (5x State Finals, 1x State Champion) "This book has provided me with a wealth of information that I wish I would have known in high school and college." - Rhys Barnhart, USF Kicker, 94 Consecutive PATs (NAIA Record) "Brent's coaching gave our Special Teams an advantage each week during our undefeated CIF Championship Season." - Bruce Ingalls, Head Football Coach, Laguna Hills HS, California (CIF Champion) "Coach Brent has a gift for breaking down complex techniques into simple components that each student can master." - Scott Placek, Parent of Student, Austin, Texas

EBOOK & DVD ALSO AVAILABLE Kicking World, LLC San Diego, California SPORTS / FOOTBALL / INSTRUCTION

Coach Brent Grablachoff is the Founder & Head Coach of Kicking World; the leading kicking, punting & snapping instruction service in the world. He and the staff hold over 25 annual camps worldwide offering the best in fundamentals & technique instruction with noticeable results. Brent conducts year-round private training for specialists of all ages & skill levels in Southern California and travels often to Texas and New Jersey. Brent speaks at football conferences across the U.S. and consults to coaches and teams across the world. When Coach Brent is not coaching or watching football, he enjoys fishing and playing golf. Brent lives in San Diego, CA.

A great companion book to the DVD set I also purchased online for my son. Everything in the book is written very clearly and will be easily understood by any student of placekicking and punting. My son uses it as a reference guide anytime he has a question regarding his technique or to troubleshoot any changes he sees in his kicking. Thanks for a well-written guide!

I would recommend this book to EVERYONE that wants to learn more about the techniques and proper way to kick and punt. Illustrated with pictures and very detailed....Well- written....

good information

The best kicking book out there. It really explains the kicking concept like no other book could. I'm just glad I got it before season started.
