Mickey Flodin is the author of *Signing Everyday Phrases*, *Signing for Kids*, *Signing is Fun*, *Signing Illustrated*, and co-author, with Rod R. Butterworth, of *The Perigee Visual Dictionary of Signing*, *The Pocket Dictionary of Signing*, and *Signing Made Easy*.

Very informative. Easy to read and follow.

Great book if you want to teach sign language , using English grammar, if you are teaching a kid with speech delay, for every word in order you need use sign and word at the same time , this book

does the job, if you want learn ASL which is not really English, probably it is not for you ,I love it and I will order more books from this publisher.

GREAT BOOK

great product & great price

This is a great book. Makes learning easy. Highly recommend this book for anyone wanting/needing to learn ASL.

Used as a resource by our granddaughter who is teaching herself to sign. She uses it a lot to refer to.

I needed this for a class I'm taking, very informative but hard to decipher the picture signs telling out what to do. Bottom Written instructions are not always clear. I would still buy again.

I would recommend this book to anyone who has interest in entering the world of sign language. I learn so much more from this book than I did in a 6 week course that I took. You learn everyday words and fillers so that your able to actually carry on a conversation. It's a great feeling. I hope that you enjoy the book as much as I do.
