Lies Women Believe: And The Truth That Sets Them Free

Synopsis

Counter the lies that keep you from abundant living. Satan is the master deceiver and his lies are endless. And the lies Christian women believe are at the root of most of their struggles. "Many women live under a cloud of personal guilt and condemnation," says Nancy DeMoss Wolgemuth. "Many are in bondage to their past. Others are gripped by fear of rejection and a longing for approval. Still others are emotional prisoners." In best selling *Lies Women Believe*, Nancy exposes those areas of deception most commonly believed by Christian women—lies about God, sin, priorities, marriage and family, emotions, and more. She then sheds light on how we can be delivered from bondage and set free to walk in God's grace, forgiveness, and abundant life. Nancy offers the most effective weapon to counter and overcome Satan's deceptions: God's truth!

"A director of women's ministries and host of a Christian radio show offers a largely thoughtful program of fundamentalist Christian advice. Twenty-two issues are framed as lies and then presented as truths--issues like how to deal with temptation, adversity, loneliness, restlessness, physical and emotional abuse, and less than ideal clerical authority. The advice is grounded in the literal belief that all worthy direction comes from obedience to God and from those males entrusted with interpreting God's Word. The author's teachings on truth, spiritual integrity, respect for the natural order, and self-respect are comprehensible enough. But her distrust of personal discernment and judgment will appeal to a limited audience." T.W. © AudioFile Portland, Maine

Nancy Leigh DeMoss, who is one of the most articulate Bible expositors in the Christian world today, has written a book that I hope will get to the top of the best-seller list. It exposes the lies that imprison so many women and sets them free. I highly recommend it.-Charles Colson

The woman of today is bombarded and confused by so many falsehoods. These messages may originate from painful childhood experiences or from media that emphasize beauty and glitz above all else. Or perhaps from a culture that tells women their role as a wife and mother doesn't count nearly as much as a career. Or the more selfish trend is that if her marriage doesn't make her happy, she owes it to herself to bail out. In *Lies Women Believe: And the Truth that Sets Them Free* Nancy Leigh DeMoss exposes Satan as the source of these falsehoods and points women back to the truth only found in God's Word. Whatever problem today's women may face--guilt, addictions, an unhappy marriage, desire for career over mothering children, troubled children, the list goes on--she reminds us that there is an answer, and it is found in God. God is enough.-Tim and Beverly LaHaye

For a quarter of a century, Nancy Leigh DeMoss has listened compassionately to heart-wrenching stories about the ways women in today's world are looking for meaning in life in all the wrong places. Readers will find themselves in these stories. A careful reading of this compelling book, written by someone who knows and loves the Scriptures, will help women identify and break out of the many bondages--emotional, physical, and spiritual--that trap them. It will also lead women to a new vision for their lives, and the profound sense of freedom that comes with the knowledge of God's redeeming love made known in Jesus Christ. Nancy's breathtaking book arrives on the American scene at a timely moment in history, when the populace is confused, desperately searching for meaning in life, and buying into anything that brings immediate gratification. This liberating book will be a blessing to you."-George and Kingsley Gallup

What a timely, God-initiated and God-endorsed book! Nancy is a friend not only to us and to our family, but to thousands who have heard her speak and have known her personally. This is a most timely and crucial contribution to all women. Nancy deals honestly with the most pressing pain in women's lives and shows sensitively real illustrations and the truth that sets them free. Without hesitation, we encourage every woman to carefully study and apply this wonderful and practical spiritual help--both hurting and bewildered women, as well as radiant and happy women who desire to help others.-Henry and Marilyn Blackaby

Have you ever wished you had a trusted friend, a wise counselor, that you could go to for godly, profoundly biblical advice? Someone you could go to who would help you tackle life's thorniest questions? Nancy Leigh DeMoss may not be your closest friend, but she will provide you with the solid Psalm 1 counsel that your soul longs for. On

more than one occasion we've sought Nancy's advice and counsel. She is a godly woman with a heart for God's people. Compassionate and caring, I think you'll find that Nancy will stimulate you to love and good deeds in these pages. Buy two of these books--one for yourself and one for your best friend!-Dennis and Barbara Rainey Finally we can stop walking around in a maze of unanswered questions. The 'why's' have been silenced and the truth proclaimed! Nancy penetrates the confusion of our day and helps us see through the deception that has plunged so many women into despair and frustration. Then she gently leads us into the truth that is the only pathway to experience God's beautiful peace and restoration.-P. Bunny Wilson Today's women need to hear the truth, and I praise God for Nancy Leigh Demoss' incredible faith in His truth and her honesty about our weakness. She refuses to compromise His Word for the world's sake.-Heather Whitestone McCallum, Miss America 1995

Great read

This was good, just not everything I wanted and more. I prefer other books I have more, like *What the Church Won't Talk about* and *Uninvited!*

This book was eye opening and heart healing. It is a resource I will share with others.

I love the scripture part--not so much the example parts I skipped them ---my friend thought the abuse portion was not good because the author had no experience

It would take several readings and some study to get all the information out of this book. Very informative book.

Apparently there are two versions of this book. They are almost identical but some content is missing (pg.87 for example is different than in other copies) and the front cover appears different (Apple looks different). The inside pages do not have the burgundy stripe across the top. Very odd-it's like the "boot-leg" version or a generic version of the actual book. But probably my mistake for not knowing such a thing exists. Other than that-great price/shipping.

It is liberation for your spirit, your mind and your emotions. What most if not all women need to work through our misconceptions of ourselves and others. It really makes you think but it challenges you

with the Word of God to change your thinking. If I were a teacher I'd teach these principles to the young teens/ women in church school. It would be an automatic study in the curriculum. Great read. You have to be willing and ready for change because that is the point.

I like to listen to encouraging cd's I Have no time to read so when I'm stuck in traffic this is good to listen to.
