The Middle Ages

Synopsis

In *The Middle Ages*, Dorothy Mills lets medieval chroniclers tell their own tales; poets and troubadours, minstrels and wandering scholars sing their own songs; and serfs describe their hard lot. She combines interesting source material with a scholarly interpretation of important events and of those features that characterized all countries during the Middle Ages: the Church; monks and friars and pilgrims; feudalism and chivalry; the manors and towns; Crusades; students wandering in search of learning; science and magic; poetry and drama; arts and crafts. Dorothy Mills had an uncanny and unique ability to write history that is interesting and at the same time based on sound scholarship. Her direct, engaging approach is valued increasingly by the many parents in our day who are looking for reliable materials for homeschooling or home study, as well as by many private school educators. Angelico Press has undertaken to reprint the highly-prized six volumes of her historical works as part of its effort to offer texts ideally suited to the needs of a new generation of teachers and students. In a world where the quality of education has so deteriorated, may the reissue of this wonderful historical series shine as a beacon to a new generation of young (and not so young) scholars!

Customer Reviews

The Middle Ages is filled with interesting characters and stories that continue to impact our understanding/systems today. Mills' book is a great way to teach kids about this era (one that spanned many centuries) ... a way to tell stories that the students can grab onto and hold and remember long after the quiz or test. This with the *Famous Men of the Middle Ages* and you've got a great start to a history curriculum for middle and high school students!

Excellent intro to the Middle Ages.

This is a great one volume edition covering the middle ages. Excellent and easy read for young adults as well as adults too. It is an exceptionally informative book. I highly recommend to all readers interested in the Middle Ages!
