Cindy Hirschfeld is a freelance writer and editor, specializing in outdoor activities and travel, for publications including Skiing magazine, Backcountry magazine, and The Denver Post. She and her golden retriever, Clover, live in Aspen, Colorado, where they hike, run, bike, ski, and climb together.

This book is a great guide to places you can go with your dog. I know there are more places to go with your dog than what is listed, but I understand all the hikes in this book were done by the author and her dogs. I appreciate that these hikes come from a real perspective and they weren't just looked up and listed in a book. Thank you.

It was a gift and they loved it.

Helpfull. Thanks

Good book for dog lovers who travel with their pets. Another gift I purchased for a family member who moved to Colorado. One doesn't always find such specialized regional books at their local bookstore. 's selection and price once again gives this book and purchase 5 stars.

Great book, but really wish that they would update and put out a new edition!

This book is amazing. It sums up all the hard to find info on the web into an easy to use and understand guide.

This is a great book if you live in or visit Colorado regularly! We found it very helpful, especially since we have a mix of dogs (ages, breed & physical capabilities).

This is a good book if you travel with your pet. We found a couple of extra attractions that were dog friendly that we didn't know about.
