The KuÅ™im Case: A Terrifying True Story Of Child Abuse, Cults & Cannibalism (True Crime)

Synopsis

The KuÅ™im Case: A Terrifying True Story of Child Abuse, Cults & Cannibalism In May of 2007, in a small, quiet town in the South Moravia region of the Czech Republic, a technical glitch â€” a simple, accidental crossing of signals â€” revealed just such a case, and an entire nation watched transfixed with horror as the grisly extent of the perversion of the maternal instinct was revealed. Two small brothers named Jakub and Ondrej, nine and seven years old respectively, were revealed to have suffered confinement, mutilation, psychological brutality, and cannibalism at the hands of several people â€” foremost among them their own mother and her sister. The ensuing investigation and trial captivated the country as a web of secrecy and manipulation was laid bare. That entire nationâ€™s attention was transfixed as the disappearance of a teenage girl revealed a daring case of concealed identity and international intrigue, culminating in a thousand-mile chase in the depths of a Scandinavian winter. The allegations that were levelled would keep any parent of a young child awake at night. A secretive cult operating in close proximity to children: stealing, forging medical records, and possibly attempting to create a new messiah was in full swing. All the while its members appeared, on the surface, to be models of excellent caregivers. This is the story of the infamous â€” KuÅ™im Caseâ€™, an investigation that engrossed the public and media of a whole country for two years. It is a story of intense cruelty and sadism, inflicted on the most vulnerable members of society. If you are especially sensitive to accounts of the suffering of children, you may find it advisable not to read any farther. If, however, you seek to understand the darker side of human nature by coming face to face with it, then this book is written for you. Scroll up and click on the Buy Now button at the top of this page, and begin looking into the remarkable story behind 'The KuÅ™im Case'.

Customer Reviews

This breaks my heart to know there are people out there who can do this to a child. Looking at this from a psychiatric point of view was enthralling. To see so many different characteristics on each diagnosis is very informative and makes you want stricter laws in place for people like this

Oh the atrocities these two boys had to endure. I feel that there is way more to this story than what came out. Will read more of your books in the future.

Ah. I was disappointed in this book/novel. And I wouldn't even call it a book/novel, it's under 100 pages and an inch of white space around the pages. Felt the story was all over the place, the writer wasn't clear with character explanation, he wrote in Czech and then English in parentheses. Also felt the writer could have gone into more depth with the story as a whole. This book could have been so much more.

My first mistake was not looking at how many pages this book was. I'm a speed reader and 100 pages wouldn't get me through take off on the airplane. The book just touched a fraction of a theme that could have been very captivating. Disappointed across the board.

I was expecting more of a story type book but this is written in more of a press release. It was an interesting story but very boring to read. Its also very short.

It could have been written much better in my opinion. The translations could have been just the

English ones I don't think it was necessary leave in the Czech. As far as the writing it wasn't up to par the way I would have liked it to have been. I was disappointed. It went into details of the abusers that I felt could have been left out. I wanted to know more about Jakub and Ondrej.

Young author... trying too hard...his facts were spot on...BUT I NEED TO FEEL EMOTIONS!!!! I want this author to delve deeper into how the community felt PERSONALLY!!!

This is a very difficult book to review. It was disturbing, fascinating, chilling. Aside from a couple of typos, it was well written, and reads like an in depth news article. No conclusions are made, but I will wonder how these boys are for quite awhile.
