# No Two Alike (Classic Board Books)

## Synopsis

From bestselling author-illustrator Keith Baker, explore the wondrous world of winter in this charming story now available as a Classic Board Book! No two snowflakes are alike, almost, almost . . . but not quite. Follow a pair of birds on a snowflake-filled journey through a gorgeous winter landscape to explore how everything everywhere is wonderfully unique—from branches and leaves to forests and trees to friends and loved ones.

Birds #497 in Books > Children's Books > Education & Reference > Science Studies > Nature

Age Range: 2 - 4 years

Grade Level: Preschool and up

## Customer Reviews

PreSâ "Two seemingly identical red birds flit through the snow, conveying a simple yet significant message: everythingâ "and everyoneâ "is unique. The combination of Baker's soothing, rhythmic cadence and his gentle, soft-hued illustrations result in a surprisingly warm winter wonderland.

"The engaging, digitally rendered avian characters stand out against the wintry landscape, and their many antics as they navigate their surroundings will sustain readers interest. They loop-the-loop through the falling snow, tightrope walk on branches, ski on twigs, and knock snow off fence posts. Children will readily join in the reading to supply each ending rhyme." --"School Library Journal, "September 2011" "With spare verse and a quiet, winter landscape, Baker ("LMNO Peas") presents an ode to uniqueness, particularly as it pertains to nature.... Baker s digital artwork conveys a sense

of painterly softness and warmth, and children should appreciate the gentle self-esteem boost that comes with the reassurance that they are one of a kind." --"Publishers Weekly", October 3, 2011\*"The poetry and pictures here express the idea of individuality with an irrepressible, childlike sense of joy. Accessible to very young children, the verse reads aloud beautifully, with just a phrase or two on each spread. Created with subdued colors and strong composition, the double-page digital illustrations create a powerful sense of place and season while offering details for young children to notice and talk about. Baker s seamless combination of well-worded rhymes, evocative landscapes, and playful protagonists make this a standout title for reading aloud, especially in winter." --"Booklist", November 1, 2011, \*STAR"Acheerful celebration of individuality, with clever rhymes and engaging art sure to appeal to little ones." --"San Francisco Chronicle, "December25, 2011" In a thoughtfully structured picture book, two little red birds explore a snowy landscape, while a rhyming text draws listeners into looking carefully at the pictures to find similarities and differences between things.... Baker includes many funny scenes, with the mischievous birds stockpiling snowballs as a fox walks warily by in one spread and fishing with berry-bait in another." --"The Horn Book Magazine, "January/February 2012 Spare, rhymed couplets, quiet and gentle, tell the story, while the digitally produced artwork, bright and cheerful, takes off winter's chill . This lovely testimony to how special and unique each of us is will enhance a preschooler's self-esteem. The Plain Dealer "(Cleveland, OH), March 4, 2012

This book is adorable and was a hit at the baby shower for a friend's daughter. Definitely recommend it even if it's not for twins.

I bought this book for my son's first birthday and I love it! It is simple, sweet, and has beautiful illustrations and text :) I think that anyone who loves nature and appreciates good writing and art will love it too :) This is a great book for both little boys AND girls! Buy this one! :)

My favorite board book! A sweet analogy of same and differences. Especially good, I would imagine for a set of twins.

My friend who has twins says this book has been great and her girls love to read it!

No little wording. Rhyme does not flow well. And book came completely warped.

This book is perfect as a good night story for my twin boys. Even though they are not identical, they do need reassurance about the fact that they are not "a set of twins" but two individuals and that we love each one of them for how different they are. With this sweet story I can reassure them and at the same time, tell them a beautiful tale about winter nature.

I bought this book as a Christmas gift for my 10 month old identical twin girls. They love it and I love it! For identical twins who are "just the same" but "not quite" this book seems like it was made just for them. The pictures are really cute as well. I think this book will be a favorite in our house for quite awhile!

Bought these books as a gift for my identical twin nephews. The individuality message was simple and sweet. Being from Minnesota, the settings in the story were a nice fit as well.
