Jesus: An Illustrated Life

Synopsis

Two thousand years after his death, Jesus of Nazareth remains one of history's most influential and fascinating figures. In this powerful, elegantly written, and expertly illustrated celebration, Jean-Pierre Isbouts brings readers into Jesus' life journey on a deeply human level, narrating his experiences from his earliest years to his mission travels in lower Galilee to his final days in the Garden of Gethsemane. Key events and figures from John the Baptist to Mary Magdalene to Judas are highlighted in compelling detail. Carefully selected artwork featuring some of the great artists of the ages--da Vinci, Michelangelo, and many more--illustrate indelible moments in Jesus' life, from Mary's annunciation to the Last Supper. Breathtaking National Geographic photography and maps complete the package, drawing readers into a time, a place, and a life that would forever change the world. Â Absorbing, engaging, and meticulously researched, this inspiring journey reconstructs the seminal moments and intense spiritual dimensions of the life of Jesus of Nazareth in a stunning visual celebration.

Best-selling author Jean-Pierre Isbouts (In the Footsteps of Jesus, The Biblical World) is a humanities scholar and graduate professor in the doctoral programs at Fielding Graduate University in Santa Barbara, California. He has published widely on the origins of Judaism, Christianity, and Islam, including the bestseller The Biblical World: An Illustrated Atlas, and In the Footsteps of Jesus. An award-winning filmmaker, Isbouts has also produced Charlton Heston's Voyage Through the

Bible, The Quest for Peace, and Young Jesus. His website is jpisbouts.org.

I was curious about this book, what with it being a National Geographic publication. I am a fan of National Geographic but, being a Christian, I didn't want Jesus treated as only an historic figure. I don't feel this has been done though. I usually read reviews, but in this case I found the inside look to be very helpful. I have not read the whole of it yet, but I am certainly learning a lot about the historical time and the art is beautiful. I am very pleased with this buy.

This is a beautiful book. I bought one on the National Geographic website, and it was double the price for the exact same book. I wish I had ordered from for the first copy.

This is a great book with a lot of great information about the greatest thing to ever happen to this world. If you have questions, this book will answer them. Great illustrations and very easy to read. A must read for anyone interested in Christianity.

Beautifully done. I spent 4 years in the 'Holy Land'. This book is a great representation of a number of things there.

This is a beautiful book and wonderfully illustrated. The book was used but no one could ever tell. I was very impressed. The author does an excellent job presenting biblical history in an understandable fashion for people living now.

I am lost in reading this. I ADORE it. It is amazing.

Excellent

Great book based on historical facts
