Copenhagen is the baby of Europe's capital cities. With its two landmarks, the enchanting Little Mermaid and the audacious new Opera House, it's simultaneously fairy tale like and modern. With Marco Polo Copenhagen you'll discover the contented composure of the people of Copenhagen and the sense of comfort and security which their small capital radiates. This practical guide book, which is small enough to slip into your pocket, lets you discover why the Danes are considered to be a happy people. Stroll through the narrow streets lined with half-timbered houses or the futuristic buildings in the Årstad district. In the quarters left and right of the Strøget, Copenhagen's shopping mile, the city shows its international and majestic face. Marco Polo Insider Tips point you to Copenhagen's Riviera, the best ice cream or to the most delicious smørrebrød in the city. The Low Budget tips in each chapter show how you can experience a great deal with very little money. With the new 'Best Of' tips you can, for example, triumph over the rain in Perch's Tea Room or enjoy the Danish dolce vita on the Grønbredtorv. On the Marco Polo Walking Tours you can go shopping away from the Strøget, explore the trendy Vesterbro quarter or take a bike ride to the famous Louisiana Museum. The Perfect Day suggests a compact tour bringing together the city's nicest highlights. The Dos and Don'ts warn you against impatience and jostling, as well as jumping to conclusions. Marco Polo Copenhagen gives comprehensive coverage of all the city's districts. To help you find your way around there's a detailed street atlas, pull-out map inside the back cover with a metro map and practical pull-out map.

Gives you a broad idea of things to see and visit around Copenhagen.
