## Synopsis

#1 Bestseller. A gripping, edge of your seat, must read. Dark suspense with a dash of swoon-worthy, sexy perfection. This is a Dark title with adult themes. From Bestselling Authors Ker Dukey & K Webster comes, *Pretty Stolen Dolls*. Benny loves his pretty little dolls. As long as they do exactly as they're told. He keeps them perfect by brushing their hair and gives them pretty dresses to wear. He likes to toy with them late at night. One so timid but the other likes to fight. When his favorite doll runs away... despite the other doll promising to stay, his heart becomes broken and he can't help but cry. He wants her back home or his pretty little doll must die. Have you ever had to make a decision that haunts you every single day for the rest of your life...the life you stole back? I have. I ran for my survival, rocks and twigs cutting into the soles of my feet, my lungs burning and screaming for rest, every muscle tensed and fighting along with me for existence. I left her. I ran, ran, ran--from Benny and his lone, pretty little doll--until I couldn't remember where to find them again. I'm sorry.

Sisters Jade and Macy Phillips disappeared without a trace as preteens. Where most girls were

discovering make-up and reading Teen Vogue, the Phillips sisters lived in the basement dungeon of a demented man named Benjamin or Benny. Benny loved to dress his dolls up in frilly dresses and use them for his sadistic games but when one doll escapes he will do anything to get her back. 8 years after escaping Jade cannot get over what happened to her in Benny's basement. She is determined to find her sister and bring justice where it's due. As a successful detective she has been waiting for a lead for years- never giving up. When Benny comes back to haunt her she enters a powerful cat and mouse game. A quarter of the way through Jade reminded me a lot of Mariska Hargitay- she was determined, self-assured, and on top of every new lead or case that came in resembling hers. A woman with a mission and no time for silly emotions. Towards the end however I felt Jade's character becoming more and more unlikable to me- she became whiny, careless, and seemed to lose any sense of professionalism that drew me into her character in the beginning. \*sigh\* Maybe it's just me. Overall, the plot was amazing and something entirely new to me. I loved the mix of suspense, SVU-esque mystery, and the whole creepy concept of the dolls. ACKK they're so creepy! The end had a major twist and revelation which I wish would have maybe happened sooner- my interest dipped for a while during the middle. I did have to go back and re-read several passages to understand what happened but I was definitely surprised! Now I have to get my hands on book two to find out what happens next!

Pretty Stolen Dolls is just a complete mess of mind blowing twists and turns that will leave you a little stunned. This book picks up right where book 1 left off but this time we get a bit of Benny's perspective. It's disturbing and gives us a bit of perspective of why he is as vile as he is. Jade she is so strong and at one point I thought how could she possibly survive this how does this not completely break her. This book is even darker than book 1 as we find out more about what has happened in the past and the madness that Benny has created with his actions. This story ends with some heartbreak while at the same time leave you with a bit of a relief for Jade who has gone through so much torment to get where she is. But is it over..... Is it really over? Another fantastic read that left me thinking OMFG what is going to happen next.

HOLY MOLY!!! I was expecting something completely different than what K Webster and Ker Dukey delivered with this book! It turned out to exceed every one of my expectations. Suspense and thrills from start to finish, this story kept me on edge through its entirety. I was so dang hooked!! Jade and her sweet little sister's day at the flea market turned out to be the beginning of a nightmare they

never saw coming. When you're taught to be wary of bad guys and monsters that walk the streets, you don't expect them to be more handsome and charming than the boy next door. Years later, Jade is on a mission of revenge. She's worked hard to be in a position to find him and make him pay for the hell he put her through and everything he took away from her. As she strives to find him, she still battles with the nightmares and memories that still haunt her. Meanwhile, she's saving face with those around her to appear normal and well balanced. But there is one that sees her pain and he will do everything in his power to give her the safety she needs. I can't even begin to describe how hooked I was once I read past the first words. I couldn't even make notes for my review. That would just take time away from reading. This story was creepy, suspenseful, twisted and COMPLETELY ensnared me. I can't remember the last time a book captivated me so quickly and so strongly. Pretty Stolen Dolls is DEFINITELY one to remember.

This story was dark, twisted, and creepy as all eff! My skin is still crawling. I read this entire book in one sitting. It's impossible to stop once you start. I did not expect anything to happen the way it did. You feel for Jade. Her life truly sucked, and no matter what she did, it never gets any better. This story is eerie and completely psychological. Benny is the perfect psycho bad guy, and Dillion is absolutely dreamy. I am a HUGE fan of both K Webster and Ker Dukey, and have yet to find a story that I don't like from either of them. They are both fantastic authors of the dark. There is no happy ending, but despite that, this book is freaking addictive! I would recommend this book to all my fellow darklings. This book is a thrilling suspense that will stick with you longer than what feels comfortable...I can't wait to read book two. I NEED to know what happens next! Prepare to be creeped out...: this book has no shame! I loved this book!

THIS BOOK!!! It literally has stolen my words. I am clueless on how I am supposed to write a review without giving anything away. It is dark and intense. It is a top 2016 read for me! It left me filled with emotions and looking over my shoulder. Jade has been through an unimaginable situation in her life. She is left to sort out all the aftermath she feels. It actually hurt my heart to read her emotions and inner thoughts. "The burning question in my own head: do they blame me? I blame me." These memories have left her feeling things that she should not have to feel....responsibilities that shouldn't fall on her shoulders. Then there is Benny. Benny and his dolls. "Just you, dirty little doll," he assures me. "It's just you." There aren't words for the emotions he creates. If you love dark and intensely twisted suspense, you need to read Pretty Stolen Dolls. You have to experience this for yourself. There isn't a review out there that can break it down for

you. It is a book filled with raw emotional feels that will gut every reader. Thank you, Ker Dukey and K. Webster. You ladies out did yourselves with this story.
