THE SHORT CUT (Western Murder Mystery)

Synopsis

A young woman on a horse suddenly stumbles upon a dead body of a man and her pet dog makes a dash towards the tall grasses. Has he sighted something? Who is the dead man? Is there a threat to her very life? Jackson Gregory was an American teacher, journalist, and writer. Gregory authored more than 40 fiction novels and a number of short stories. Several of his tales were used as the basis of films released between 1916 and 1944, including the 1917 film titled "The Man from Painted Post."

Customer Reviews

The flowery style seems strange for a western story until you realize it was written a century ago. I got bogged down in the verbiage and didn't finish, but it seemed a pleasant story.

The storyline was excellent. The characters were well developed. My only negative comment is that the author used 95% of the words found in "The Great Book of Adjectives!"

This story is slow in getting going but picks up speed halfway through. If you can wade thru the first the mystery unfolds with some great action.

I found this story very hard to follow. The author keeps bringing in people like we know them so should know what he's talking about. I believe it had a storyline but it jumped around so much that I couldn't tell you what it is. I felt like I kept coming in on the middle of a conversation so I never could get into the story. I finally gave up both on trying to understand it and trying to like it and I quit reading it.

I did not like how this book was written. It didn't feel like a Western.

Interesting A little bit simple. I read it with interest and it kept my attention.

Great suspense and good reading.

Did not have my interest for very long. Not my kind of story. Too much unnecessary description and flowery words.
