# Understanding The Arizona Constitution

## Synopsis

Arizona became the nation's 48th state in 1912 and since that time the Arizona constitution has served as the template by which the state is governed. Toni McClory's *Understanding the Arizona Constitution* has offered insight into the inner workings and interpretations of the document and the government that it established for almost a decade. Since the book's first publication, significant constitutional changes have occurred, some even altering the very structure of state government itself. There have been dramatic veto battles, protracted budget wars, and other interbranch conflicts that have generated landmark constitutional rulings from the state courts. The new edition of this handy reference addresses many of the latest issues, including legislative term limits, Arizona's new redistricting system, educational issues, like the controversial school voucher program, and the influence of special-interest money in the legislature. A total of 63 propositions have reached the ballot, spawning heated controversies over same-sex marriage, immigration, and other hot-button social issues. This book is the definitive guide to Arizona government and serves as a solid introductory text for classes on the Arizona Constitution. Extensive endnotes make it a useful reference for professionals within the government. Finally, it serves as a tool for any engaged citizen looking for information about online government resources, administrative rules, and voter rights. Comprehensive and clearly written, this book belongs on every Arizonan's bookshelf.

## Book Information

## Customer Reviews

Praise for the first edition: "This witty, informative volume may be the best book of the year for Arizonans." Arizona Daily Star "Marketed as an authoritative guide to Arizona government" written in plain language, "this fascinating book lives up to its billing. Every Arizonan should read it, and keep it handy for future reference." Journal of Arizona History "I am compelled to recommend this useful primer to all Arizonans. I don't know another book that does a better job of explaining Arizona government." Tucson Weekly, Best Reading of the Year

This new edition of McClory's seminal reference addressed many of the latest issues in Arizona's state government including legislative term limits, a new redistricting system, and a controversial school voucher program. Comprehensive and clearly written, this book belongs on every Arizonan's bookshelf.

Interesting inside provided in this book into the Arizona government. This book is thorough and will be useful for any one looking to learn more about their rights and laws in Arizona.

This was an assigned text for a class and I was dreading reading it. My expectation was that anything written about the state constitution would be dry and difficult to navigate. I was wrong. The text is well laid out and easy to follow for the novice, a delightful surprise.

Will not download to my kindle, cannot open to read, no where to get any assistance 10 down the drain and no way to study for a class. Highly dissapointed, said it is a Kindle edition but will not download to my kindle.

This book also helped me a lot when doing my assignments and taking my quizzes and exams. If you ever need to take history and these are the two books that you need buy them, they will help you and make history easier to understand.

Only needed it for class but a great resource

excellent condition. Very interesting book. Had to read it for my online class. Learned a lot of interesting facts about the Ariz Constitution.

Quick shipment! Thank you. The book was as described, brand new, not damaged at all.

great
