## Customer Reviews

Have already cooked a few recipes. This books is wonderful.

The one recipe i have made so far was a massive hit. and it tasted so good. all the other recipes look so good. there are full color pictures for about 99% of the recipes in the book.

I have cooked several recipes from this and they turned out very well.

Very good book, and the recipes are excellent!

Nice pictures of final products, good mix of recipes. Simple instructions

great book. making these recipes is almost as good as being back in that pub in Doolin! i highly recommend it.

This is a fantastic book! It is for the beginner or the more advanced cook. If you are serious about getting better or increasing your knowledge, buy this book.

I had hoped for more traditional Irish dishes. It's more Americanized pub food.
