The Complete Jewish Study Bible: Illuminating The Jewishness Of God's Word; Blue Flexisoft Edition

Synopsis

Christians and Messianic Jews who are interested in the rich spiritual traditions of their faith will be thrilled with this brand new study Bible. The Complete Jewish Study Bible pairs the updated text of the Complete Jewish Bible translation with extra study material, to help readers understand and connect with the Jewish roots of the Christian faith. The Complete Jewish Bible shows that the word of God, from Genesis to Revelation, is a unified Jewish book meant for everyone Jew and non-Jew alike. Translated by David H. Stern with new, updated introductions by Rabbi Barry Rubin, it has been a best-seller for over twenty years. This translation, combined with beautiful, modern design and helpful features, makes this an exquisite, one-of-a-kind Bible. Unique to The Complete Jewish Study Bible are a number of helpful articles and notes to aid the reader in understanding the Jewish context for the Scriptures, both in the Tanakh (the Old Testament) and the Brit Hadashah (the New Testament). Features include: - Twenty-five contributors (both Jewish and Christian), including John Fischer, Patrice Fischer, Arnold G. Fruchtenbaum, Walter C. Kaiser, Jr., Rabbi Russell Resnik, and more - Thirty-four topical articles ranging from topics such as the menorah (or candelabra of God) and repentance (t shuvah) in the Bible, to Yeshua's Sermon on the Mount and the Noachide Laws (the laws given by God to Noah and subsequent generations) and their applicability to Gentiles - In addition to these topical articles and detailed study notes, there are twelve tracks or themes running throughout the Bible with 117 articles, covering topics such as Jewish Customs, the Names of God, Shabbat, and the Torah - New Bible book introductions, written from a Jewish perspective - Bottom-of-page notes to help readers understand the deeper meanings behind the Jewish text - Sabbath and Holy Day Scripture readings - Offers the original Hebrew names for people, places, and concepts"

Customer Reviews

Barry A. Rubin, MA in Communications from Ohio University, is rabbi of Emmanuel Messianic Jewish Congregation in Clarksville, Maryland. Founded in 1915, it is the oldest extant Messianic congregation in the world. In 1988, he became director of The Lederer Foundation (now Messianic Jewish Publishers and Resources), a sixty-year-old organization formerly in the Orthodox Jewish section of Baltimore, now in Clarksville/Columbia of Howard County, Maryland. He serves on several boards and has been in the forefront of Messianic Judaism since the 1970s.

As an on-again-off-again practicing Christian I have struggled with trying to get a better understanding of Jesus. With a copy of the Bible in Aramaic-English and this translation from Hebrew I continue to learn about the daily routines that he and disciples experienced and the nuances of the languages they spoke. Both books help me in getting a better understanding of Christianity's roots and finding answers to my questions. This book, especially, provides great illustrations, side notes, and information to invigorate my thoughts.

I love the Bible itself (the translation and commentary). BUT, I have had it less than 2 weeks, and the writing is already completely faded off of the cover. Very bad quality binding.

"Illuminating" is almost an understatement.

This is an update to an older version. I purchased this for a friend who loves it, so together we bought another one for another friend who has liked it so much he in turn bought one for someone else. Obviously very satisfied!

If you are looking for good exegesis you need something like this book. The Bible as a whole including the New Testament is a Hebrew text. Knowledge of the history, culture, language and customs of the Hebrew people is simply not optional. This Bible has everything it needs in that department. The names are written as transliterations of the original Hebrew, a commentary to elucidate several details, sections that break up the text to give historical/cultural context and many

many references to Jewish commentaries throughout history. If you are looking to understand God's Word this book should be in your library.

It's really nice to have a Bible that teaches me about the Jewish culture and original Hebrew language! Feels like I'm getting an accurate understanding of what the words really mean. The notes are great and very in depth. For me personally, I feel like the translation itself is a little too modern and paraphrased sometimes. I feel like I'm reading the Message or NLT at times. With that said, I still love it and will use it for study.

I bought for a gift and he was so happy thought he would never own a leather bible

Love this new bible. We bought two and some of our friends got them as well. Great Bible.
